Live Evil: Of Magic and Men Sophia Vivienne Kottmayer, 2020-04-14 This volume was first published by Interdisciplinary Press in 2011 Magic and the Supernatural have become de rigueur in popular culture to an extent that it is well nigh inconceivable to imagine our quotidian lives without them It is most probably the notion of danger and prohibition that incites our curiosity for these conceptions they can be used for the Good but out of control they trigger Evil Oftentimes it is claimed that something is only magical until it can be explained in rational terms and that therefore we remain in a state of childish ignorance if believing in it We are made to think that it is more conducive to focus on what happens in the here and now than to worry about the afterlife From a perfectly logical point of view though this must be a misconception for there is no such thing as purity Consequently rationality cannot exist by itself And after all do stark facts not mar the pleasure of the marvellous This collection of academic papers seeks to analyse how over centuries mankind has cast supernatural experiences into narrative into archetypal stories which account for a specific culture's heritage all the while trying to conserve the marvel emerging from the inexplicable *Splinter the Silence* Val McDermid, 2015-12-01 The bestselling

Queen of Crime reigns again when a profiler and an ex cop investigate the suspicious deaths of women targeted by Internet trolls Independent UK From the international bestselling author of *The Mermaids Singing* and *The Wire in the Blood* comes the ninth installment of her beloved series featuring psychologist Tony Hill and former DCI Carol Jordan Vicious online attacks seem to be driving outspoken women to silence themselves through suicide Yet for profiler Tony Hill who knows a thing or two about patterns in human behavior something doesn't add up Carol Jordan meanwhile is too busy tackling her own demons to think about a potential serial killer But when she gets an opportunity for a second chance it's game on This time around though the stakes have never been higher One of the Boston Globe's Best Books of 2015 **Cross and Burn** Val McDermid, 2013-10-22 Psychologist Tony Hill and ex DCI Carol Jordan the UK crime fighting partners from the TV series *Wire in the Blood* face down a serial killer International bestselling crime writer Val McDermid's work speaks for itself her books have sold millions of copies worldwide won numerous accolades and attracted a devoted following of readers around the globe *Cross and Burn* picks up where *The Retribution* left off following the best crime fighting team in the UK clinical psychologist Tony Hill and police detective Carol Jordan who when we last saw them were barely speaking and whose relationship will now be challenged even further But just because they're not talking doesn't mean the killing stops Women are being murdered ones who bear an unsettling resemblance to Carol Jordan And when the evidence begins to point in a disturbing direction thinking the unthinkable seems the only possible answer Cornered by events Tony and Carol are forced to fight for themselves and each other as never before McDermid is as smooth a practitioner of crime fiction as anyone out there She's the best we've got *The New York Times Book Review* **The Vanishing Point** Val McDermid, 2018-09-01 Marked by McDermid's trademark stunners including a climax that packs a vicious punch And readers are again left to marvel at her ingenuity Jay Trafford Richmond Times Dispatch From one of the finest crime writers we have *The Vanishing Point* kicks off with a nightmare scenario the abduction of a child in an international airport Stephanie Harker is in the screening booth at airport security separated from Jimmy Higgins the five year old boy she's in the process of adopting when a man in a TSA uniform leads the boy away The more Stephanie sounds the alarm the more the security agents suspect her and the further away the kidnapper gets It soon becomes apparent that nothing in this situation is clear cut For starters Jimmy's birth mother was a celebrity living in a world where conspiracy and obfuscation are excused for the sake of column inches And then there are the bad boys in both women's pasts As FBI agent Vivian McKuras and Scotland Yard Detective Nick Nicolaides investigate on both sides of the pond Stephanie learns just how deep a parent's fear can reach And the horrifying reality is that she has good reason to be afraid for reasons she never saw coming McDermid's work is taut psychologically complex and so gripping that it puts your life on hold *The Times London* *The Wire in the Blood* Val McDermid, 2006 Val McDermid's Number One bestselling crime series featuring psychological profiler Dr Tony Hill and Jacko Vance protagonist of new novel *THE RETRIBUTION* in the suspenseful and ferociously readable thriller that led to the much
