revolution the triumph of the thriller and lists among its stars Thomas Harris Michael Connelly George Pelecanos Dennis Lehane Sue Grafton and Elmore Leonard In his provocative caustic and often hilarious survey of today s popular fiction Anderson shows us who the best thriller writers are and the worst He shows how Michael Connelly was inspired by Raymond Chandler how George Pelecanos toiled in obscurity while he mastered his craft how Sue Grafton created the first great woman private eye and how Thomas Harris transformed an insane cannibal into the charming man of the world who made FBI agent Clarice Starling his lover Anderson shows Scott Turow inventing the modern legal thriller and John Grisham translating it into a stunning series of bestsellers He casts a cold eye on Tom Clancy s militaristic techno thrillers and praises Alan Furst and Robert Littell as world class spy novelists He examines the pioneering role of Lawrence Sanders the offbeat appeal of Dean Koontz the unprecedented success of *The Da Vinci Code* and the emergence of the literary thriller Most of all Anderson demands that the best of these novelists be given their due not as genre writers but as some of the most talented men and women at work in American fiction Don t trust the literary elites to tell you what to read he warns make up you own minds *The Triumph of the Thriller* will convince many readers that we ve entered an important new era in popular fiction This book can be your guide to it     *Drama City* George Pelecanos,2005-03-01 Lorenzo Brown loves his work In his job as an officer for the Humane Society he cruises the city streets looking for dogs that are being mistreated underfed unclean trained to kill He takes pride in making their lives better And that pride helps Lorenzo resist the pull of easier money doing the kind of work that got him a recent prison bid Rachel Lopez loves her work too By day she is a parole officer helping people Lorenzo Brown among them along a path to responsibility and advancement At night she heads for the city s hotel bars where she can always find a man who will let her act out her damage She loses herself in sex and drink and more But Rachel s nights are taking a toll on her days Lorenzo knows the signs The trouble is he truly needs her right now There s an eruption coming in the streets he left behind the kind of territorial war that takes down everyone even near it Lorenzo needs every shred of support he can get to keep from being sucked back into that battleground He reaches out to Rachel but she may be too far gone to help either of them Writing with the grace and force that have earned him praise as the poet laureate of the crime world George Pelecanos has created a novel about two scarred and fallible people who must navigate one of life s most brutal passages It is an unforgettable moving even shocking story that will leave no reader unchanged     *Race, Ethnicity and Publishing in America* C. Cottenet,2014-06-26 *Race Ethnicity and Publishing in America* considers American minority literatures from the perspective of print culture Putting in dialogue European and American scholars and spanning the slavery era through the early 21st century they draw on approaches from library history literary history and textual studies     *Snitch World* Jim Nisbet,2013-07-01 The Miata jumped the curb and sheared off a light pole The impact deployed the airbags but Chainbang was ready He knifed Klinger s before it was fully inflated and his own before it could crush the glass pipe in his breast pocket The six inch blade went through the nylon like a pit bull through a kindergarten *Snitch World* takes

place in a San Francisco of menacing technology where the old cons come up short and the crimes of the gritty night have morphed into slick capers pulled off by the glow of a smartphone Klinger hangs out at the Hawse Hole a sordid dive even by Tenderloin standards All he really wants is enough cash to buy a cup of coffee some cigarettes a bug free hotel room The simple act of picking a carefully targeted mark's pocket initiates a series of events that get stranger and more dangerous by the moment Jim Nisbet with his characteristic humor and brilliant prose creates a world where trust and even cash are the avatars of a loser's game This is Snitch World where a nine dollar app can be as deadly as a dirty needle Also included is a recent interview with Jim Nisbet in conversation with Patrick Marks owner and publisher of San Francisco's The Green Arcade talking about writing books and technology

**The Vertigo of Late Modernity** Jock Young, 2007-01-31 Immersing himself in the whirling uncertainty of late modernity confronting its odd deformities of essentialism and exclusion Jock Young has produced a comprehensive account of contemporary trouble anxiety and transgression If this is criminology and it's surely criminology of the best sort it is a criminology able to account not just for crime and inequality but for the cultural and the economic for the existential and the ontological as well Perhaps most importantly it is a criminology designed to discover in these intersecting social dynamics real possibilities for critique hope and human transformation Jock Young's *The Vertigo of Late Modernity* is a work of sweeping dare I say dizzying intellect and imagination Professor Jeff Ferrell Texas Christian University USA and University of Kent UK This is precisely what readers would expect from the author of two instant classics a book that is bound to become the third As is his habit Jock Young launches a frontal attack on the commonsense of social studies and its tacit assumptions as common as they are misleading Futility of the inclusion vs exclusion contented vs insecure or indeed normal vs deviant oppositions in the globalised and mediatized world is exposed and the subtle yet thorough interpenetration of cultures and porosity of boundaries demonstrated beyond reasonable doubt The newly coined analytical categories like chaos of rewards and chaos of identity existential vertigo bulimic society or conservative vs liberal modes of othering are bound to become an indispensable part of social scientific vernacular and let's hope that they will for the sanity and relevance of the social sciences sake Zygmunt Bauman Emeritus Professor of Sociology University of Leeds Jock Young is one of the great figures in the history of criminology In this book he prises open paradoxes of identity in late modernity We experience an emphasis on individualism in an era when shallow soil forms a foundation for self development Young deftly analyses shifts in conditions of work and consumption and the insecurities they engender This is a perceptive reformulation of job family and community in late modernity Professor John Braithwaite Australian National University *The Vertigo of Late Modernity* is a seminal new work by Jock Young author of the bestselling and highly influential book *The Exclusive Society* In his new work Young describes the sources of late modern vertigo as twofold insecurities of status and of economic position He explores the notion of an underclass and its detachment from the class structure The book engages with the ways in which modern society attempts to explain deviant behaviour whether it be crime terrorism or riots in terms

of motivations and desires separate and distinct from those of the normal Young critiques the process of othering whether of a liberal or conservative variety and develops a theory of vertigo to characterise a late modern world filled with inequality and division He points toward a transformative politics which tackle problems of economic injustice and build and cherish a society of genuine diversity This major new work engages with some of the most important issues facing society today The Vertigo of Late Modernity is essential reading for academics and advanced students in the areas of criminology sociology cultural studies anthropology and the social sciences more broadly
