

KING OF ROME

A detailed illustration of a swallow in flight, positioned centrally behind the title text. The bird is shown from a side profile, with its wings fully extended. It has a dark, almost black, head and throat, a long, sharp, dark beak, and a long, deeply forked tail. The plumage on its wings and body is rendered in shades of brown and grey, with fine lines indicating feather texture. The bird is set against a solid teal background.
