Lady of Devices: A steampunk adventure novel with smart women inventors Shelley Adina, 2019-12-21 Enjoy this first in series novel of steampunk cozy fantasy that's family friendly and full of heart by award winning author Shelley Adina. She wants to be an engineer but her parents and society will never allow it. Until riots break out in steampunk London and she seizes her chance. It's 1889 and Lady Claire Trevelyan is expected to do nothing more with her life than catch a rich husband. Unfortunately her talents lie not in the ballroom but in the laboratory where her experiments have an embarrassing habit of blowing up. When her father gambles the estate on the combustion engine despite the fact that everyone knows the world runs on steam, Claire finds herself out in the street with nothing to her name but her steam landau and her second best hat. But the embarrassments of her old life might be the talents that save her now if she can stay alive long enough to barter her skills for a street gang's protection. It's not long before a new leader rises in the London underworld known only as the Lady of Devices, a double life Claire must keep secret if she is to achieve her dream and become the assistant to a world renowned scientist. If you like old fashioned adventure, brave women, clever children, and strong willed chickens, you'll love the first book in the Magnificent Devices series. Books 1-4 are best read as a quartet. Fangs for the Fantasy says Claire is a wonderful main character, one of my favourites in the genre, and the series has a great sense of Victorian style and language that's both fun and beautiful to read. If you like books by Gail Carriger, Lindsay Buroker, and Emma Jane Holloway, you're in the right place. Enjoy.

Mysterious Devices Books 4-6: Three steampunk mystery novels in one set Shelley Adina, 2024-10-23 This collection contains the next three novels in the Mysterious Devices series of steampunk mystery novels set in the Magnificent Devices world. They're assisted by new friends and old, and love is more than merely a dream. Still, perils both natural and social lie in wait for them. A visit to the Royal Kingdom of Spain and the Californias is interrupted by an earthquake, and they are embroiled in an attempt to overthrow the young Viceroy's reign. No sooner do they glimpse their father than he is thrown in gaol for murder, and it is up to them to find the real killer. And just when hopes rise and happiness seems possible, an attack by air pirates throws their lives and those they love into jeopardy. Can bravery, friendship, and the unbreakable bonds of love outlast whatever the world may throw at them, even murder? Buckle up, you are in for a ride like no other. License to Quill.

A Gentleman of Means: A steampunk adventure novel featuring smart, brave inventors Shelley Adina, 2019-12-21 How much must one sacrifice for the sake of friendship? But when she learns that Gloria has vanished, can she do the right thing and attempt to find the missing heiress? Of course she must. But this does not sit well with the gentlemen in her life who had every reason to believe she planned to settle down at last. Suddenly, Claire

finds herself without a career a fiancé or the confidence in her own abilities that has carried her this far Worse Captain Ian Hollis is suffering from the megrims and cannot seem to recover from his dreadful experience as a prisoner Alice's dream of captaining her own ship in England is scuttled Tigg is struggling with a revelation that has turned his life upside down and may result in a betrayal more harrowing than any the flock has yet seen Will the bond of friendship that has brought Claire and the flock together be the very thing that separates them for good Or will love tip the balance and prove that what really defines a gentleman of means is none other than a lady of resources I have to repeat how excellent this series is with the female characters Not just because they're good and capable and interesting but because they're also different Fangs for the Fantasy on A Gentleman of Means A Gentleman of Means is the eighth novel in the Magnificent Devices steampunk cozy fantasy series No strong language just a very proper kiss or two and a satisfying solution If you like books by Gail Carriger Lindsay Buroker or Emma Jane Holloway you're in the right place Enjoy
