Last Days Brian Evenson, 2016 *Last Days* follows Kline a man forcibly recruited to solve the murder of the leader of an underground amputation cult **Everything the Darkness Eats** Eric LaRocca, 2023-07-03 A haunting and horror filled tale of loneliness trauma and spiritual yearning from the award winning author of *Things Have Gotten Worse Since We Last Spoke* and *Other Misfortunes* An insidious darkness threatens to devastate a rural New England village when occult forces are conjured and when bigotry is left unrestrained After a recent string of disappearances in a small Connecticut town a grieving widower with a grim secret is drawn into a dangerous ritual of dark magic by a powerful and mysterious older gentleman named Heart Crowley Meanwhile a member of local law enforcement tasked with uncovering the culprit responsible for the bizarre disappearances soon begins to learn of a current of unbridled hatred simmering beneath the guise of the town's idyllic community a hatred that will eventually burst and forever change the lives of those who once found peace in the quiet town of Henley's Edge *Julio's Day* Gilbert Hernandez, 2013-04-20 It begins in the year 1900 with the scream of a newborn It ends 100 pages later in the year 2000 with the death rattle of a 100 year old man The infant and the old man are both Julio and Gilbert Hernandez's Julio's Day originally serialized in *Love and Rockets* Vol II but never completed until now is his latest graphic novel a masterpiece of elliptical emotional storytelling that traces one life indeed one century in a human life through a series of carefully crafted consistently surprising and enthralling vignettes There is hope and joy there is bullying and grief there is war so much war this is after all the 20th century there is love there is heartbreak This is very much a singular standalone story that will help cement Hernandez's position as one of the strongest and most original cartoonists of this or any other century **At Dark, I Become Loathsome** Eric LaRocca, 2025-01-28 From Eric LaRocca Bram Stoker Award nominated and Splatterpunk Award winning author of *Things Have Gotten Worse Since We Last Spoke* comes *At Dark I Become Loathsome* a grim yet gentle horrifying yet hopeful intense tale of death trauma and love If you're reading this you've likely thought that the world would be a better place without you A single line of text glowing in the darkness of the internet Written by Ashley Lutin who has often thought the same and worse in the years since his wife died and his young son disappeared But the peace of the grave is not for him it's for those he can help Ashley has constructed a peculiar ritual for those whose desire to die is at war with their yearning to live a better life Struggling to overcome his own endless grief one night Ashley finds connection with Jinx a potential candidate for Ashley's next ritual who spins a tale both revolting and fascinating Thus begins a relationship that traps the two men in an ever tightening spiral of painful revelations where long hidden secrets are dragged kicking and screaming into the light Only through pain can we find healing Only through death can we find new life **People's Choice Literature** Tom Comitta, 2025-06-03 What do Americans truly want in a novel What would it look like if their preferences and aversions materialized in book form In *People's Choice Literature* Tom Comitta has taken up this challenge writing two groundbreaking

novels based on a nationwide poll about literary taste one featuring the story elements Americans most desire and another containing everything Americans despise The Most Wanted Novel is a fast paced thriller evoking page turners by Dan Brown David Baldacci and Janet Evanovich It follows a California woman pulled into a tech tycoon s apocalyptic ambitions after her brother s kidnapping teaming up with a hunky FBI agent with a tragic past The Most Unwanted Novel is a genre bending doorstopper an epistolary Christmas novel set on a near future Mars where elderly aristocratic tennis players scour the globe for lost love venturing from the coldest of arctic wastelands to the darkest caverns of the macabre Various recalling Kathy Acker C sar Aira and Philip K Dick it features sentient robots talking animals and a hundred page collection of horror stories People s Choice Literature is inspired by the artists Komar and Melamid who created two now infamous paintings based on opinion polling A similar experiment by Dave Soldier produced The Most Wanted Song and The Most Unwanted Song Comitta has adapted these methods to fiction drawing on readers preferences about everything from genre to verb tense to characters identity and incorporating machine learning data and passages written in collaboration with a large language model Audacious and shockingly entertaining People s Choice Literature also asks big questions about taste authorship and the notion of good writing
