Requiem For A Genocide Michael Drakich,2021-12-01 JAK037 is a warbot Built for the sole purpose of killing the enemies of Dalrea he has survived longer than any other and is the last of his generation still in operation Being the last JAK model he is simply referred to as Jak no unit number necessary When word comes of a treaty with their nemesis Carthia Jak holds out hope his final days will be ones without war It is with disappointment he learns the treaty is so a new front can be opened against a race of settlers from another world Humans In the coming conflict can Jak and his comrades of aged warbots survive against an enemy with superior technology In a mission to wipe out the settlers will it succeed Or will Jak s days finally be numbered With the aid of a human child a seven year old girl named Hannah Jak hopes to end the war and save his people from what he believes is a looming disaster It s a race where not only humans but Carthians Dalreans robotic laws and his own failing body all conspire to stop him Storyhole C. Lee Brown,2015-12-23 It doesn t matter if you walked through a portal in time and space used a magic spell or arrived as the result of some technological marvel that transported your blasted atoms in a focused beam of energy The important thing is you have arrived Imagine you have come to a strange land and an even stranger roadhouse Not your run of the mill bed and breakfast nor a typical medieval inn but a place where the drinks are free as long as you share a story At a muddy crossroads in a small hamlet in Antioch the land of chaos you are a visitor to Storyhole Inn It goes on and on in this anthology of strange tales told around the great room of the Storyhole Inn Whether it s a tale about planning the perfect wedding on a giant luxury spaceship or the daily grind of protecting a princess from the bad guys there s something for everyone here We learn about a cadet that earns his passage to adulthood and also a story about what not to give your alien in laws to drink And speaking of aliens some of them seem to have a taste for the very essence of man Twelve authors present eighteen stories of fantasy science fiction paranormal and horror for your entertainment We hope you will stay for a while and enjoy the ambiance of Storyhole *Assassins Of Riaz* Michael Drakich,2018-10-25 In Riaz the profession of assassin is an honored one Hired throughout the other eight realms their use of powerful magic to complete assignments makes them a valuable commodity When a regional trade negotiation is scheduled in their capital city of Lymos the demand for the skills of the assassins is sure to change the dynamic of the meetings Caught in the maelstrom of political intrigue is young Kero the ward of the assassin lord He s joined by Darlee a girl from Sechland with her own magical powers and Prince Brumaine of Morica as each of them struggle to navigate the affair in their own way Will old animosities prevail or can new alliances alter the path toward all out war **Sanctuary Has Fallen** Michael Drakich,2023-05-20 As civil war strides through Morica the lives of three diverse people become intertwined in the machinations of governments gods and demons Prince Brumaine along with his brother seeking to overthrow his father for control of the country Private Zair a young soldier in Morica s army who serves as a courier for the king and Esca daughter of a local healer and a bystander in the neighboring neutral country of Fermia As the war rages players from other countries

enter the fray and the interjection of three powerful demons seeking refuge makes the battle much more than father king against princeling sons Through it all both Esca and Zair are encumbered with one more difficulty the blossoming of their ability to use magic which is illegal in both their homelands Should either be discovered it could prove fatal Deep in political intrigue wavering alliances and strained relationships this is a novel for those who love epic fantasy in its truest form where countries peoples and the laws of the lands hang in a precarious balance The Gilgamesh Path Michael

Drakich,2024-06-03 One dead man s body reveals a startling secret Every cell has been corrupted by a micro organism that gave him eternal health The thing is no one knows where he contracted it as it must have been millions of years ago So begins the hunt throughout the galaxy for the micro organism by two opposing individuals Calain de Longee of the Galactic Core Amalgamation and Princess Warkis second in line of the Pataki Dynastic of the Harkardi Empire Other forces are also at play The Guardians a race of super robots who ensure the peace between humans and the Harkardi warn against the dangers of the micro organism and the Forty Two Steps a criminal organization who wish to claim it for themselves It s a contest of wills between Calain and Warkis with galactic implications **Lest the Dew Rust Them** Michael Drakich,2013-02

Terrorism in America has a new game decapitations Homeland Security Director Robert Grimmson faces the task of catching five men in New York City They call themselves the Sword Masters with a single minded plan of terror through decapitations Barely has the task begun when a new arrival at JFK is a man importing thousands of swords Alexander Suten Mdjai is a trainer in the deadly art of swordsmanship and Robert cannot help but believe there is a connection between him and the Sword Masters As he goes about the task each step in his search is made more difficult through the interference of politicians the media and his own government Robert s examination constantly draws him back to Alexander who regales him with a tale of swordsmanship from his lineage featuring events of mankind s bloody past and often oddly having a connection to the case before him With the clock ticking as New York collapses into a deep panic he must catch the Sword Masters before it is too late
