Even when I was funny I wasn't this funny Augusten Burroughs For fans of Tina Fey David Sedaris and anyone who's ever felt like a misfit an outrageously funny and disturbing memoir from Jenny Lawson aka The Bloggess When I tell people that my father is kind of a total lunatic they laugh and nod knowingly they assure me that theirs is too and that he's just a typical father And they're probably right if the typical father runs a full time taxidermy business out of the house and shows up at the local bar with a miniature donkey and a teddy Roosevelt impersonator and thinks other people are weird for making such a big deal out of it If the typical father says things like Happy birthday Here's a bathtub of raccoons or We'll have to take

your car Mine has too much blood in it then yeah he s totally normal When Jenny Lawson was little all she ever wanted was to fit in that dream was cut short by her fantastically unbalanced father and a childhood of wearing winter shoes made out of used bread sacks It did however open up an opportunity for Lawson to find the humour in the strange shame spiral that is her life and we are all the better for it Lawson s long suffering husband and sweet daughter help her uncover the surprising discovery that the most terribly human moments the ones we want to pretend never happened are the very same moments that make us the people we are today Like laughing at a funeral LET S PREtEND tHIS NEVER HAPPENED is both irreverent and impossible to hold back once you get started the Bloggess writes stuff that actually is laugh out loud but you know that really you shouldn t be laughing and probably you ll go to hell for laughing so maybe you shouldn t read it Neil Gaiman Even when I was funny I wasn t this funny Augusten Burroughs author of RUNNING WITH SCISSORS [Memoir Writing For Dummies](#) Ryan G. Everyone has a story to tell. *Your Life is a Book* guides budding writers through the transformative process of memoir writing to publication. With proven writing exercises and prompts, this book is a practical and enlightening guide to perfecting the art of memoir writing. **Handling the Truth** Beth Kephart, 2013-08-06. In the tradition of Anne Lamott's *Bird by Bird*, a critically acclaimed National Book Award finalist shares inspiration and practical advice for writing a memoir. Writing a memoir is a deeply personal and consequential undertaking. As the acclaimed author of five memoirs spanning significant turning points in her life, Beth Kephart has been both blessed and bruised by the genre. In *Handling the Truth*, she thinks out loud about the form, on how it gets made, on what it means to make it, on the searing language of truth, on the thin line between remembering and imagining, and finally on the rights of memoirists. Drawing on proven writing lessons and classic examples, on the work of her students and on her own memories of weather, landscape, color and love, Kephart probes the wrenching and essential questions that lie at the heart of memoir. A beautifully written work in its own right, *Handling the Truth* is Kephart's memoir writing guide for those who read or seek to write the truth. ***Listen to Your Mother Deluxe*** Ann Imig, 2015-04-07. Audiobooks as Artifacts David Seinberg, 2024-06-19 Their ever evolving popularity notwithstanding audiobooks remain a rather undertheorized phenomenon The prevailing handful of existing studies seem to have adopted an inherently historicist approach which fails to identify and scrutinize their aesthetic importance Thus rather than regarding them as mere recorded versions of existing literary works this book explores them as the unique products of a hitherto undefined artistic genre As performance based aural artefacts the very act of listening to them is rendered an aesthetic experience in its own right By effectively embracing an interdisciplinary approach and introducing a set of aesthetic questions and philosophical conundrums ignited by a paradigmatic application of the New Institutional Theory of Art this study establishes a new aesthetic category which in turn not only classifies audiobooks as artworks to all intents and purposes but also generates the criteria and parameters for evaluating their merit Since the proof of the proverbial pudding is purportedly in the eating in surveying a series of concrete case studies each highlighting different degrees of complexities this study mainly examines first person narratives as the most natural medium for the aesthetics of the audiobook As such the investigation herein provides one with comparative close listenings appropriately analyzing and debating their aesthetic properties Finally in exploring what this study identifies as one's informed intuition and its role in the craft of casting audiobooks this study also proposes a new understating of how aesthetic appreciation works in action
