Will they be able to reconcile their divergent paths, or will their hearts be broken when they go their separate ways? Find out in Gansett Island Episode 2: Kevin & Chelsea, where you'll also hear about Big Mac's latest business venture and have a visit with the Gansett Island characters you've come to love.

About the Gansett Island Episodes: From Marie, "My fictional island has become such a huge part of my life and yours over these last six years, and I've created so many characters who speak to me between books and during the writing of new ones. I can't possibly give them all a new story in every book, but I still have so much to say about them. With that in mind, I'll be launching a new Gansett Island Episodes series in 2017 featuring shorter stories about past characters who readers love and want more of. Mixed in with these episodes will be at least one full-length book a year. So we'll have plenty more from our favorite island with new stories for past characters as well as all new stories too. I'm looking forward to this new adventure and hope you'll take the ferry to Gansett for the new episodes."
