Loose Ends By Lucy Felthouse:

Moonstone Lucy Felthouse, Silver Springs Library, Christmas gifts aren't the only surprises Ginny is going to get this year. Moonstone Guinevere Ginny Miles is in Silver Springs visiting her parents for the holidays. They moved to the town five years ago and adore their new life here. Used to the hustle and bustle of London, England, Ginny isn't convinced at first what's so great about a small town in Upstate New York anyway. Despite her own opinions, it's clear to Ginny the move has done her parents the world of good; they look years younger. There's clearly something magical about this town. Following some exploration of her own, Ginny discovers Silver Springs has its charms. Jewels Cafe is amazing for starters, as is its pumpkin spice latte. Ginny's drunk a lot of lattes in her thirty-three years, but nothing quite like this. Her taste buds are still tingling from the tasty treat when she comes across a broken-down truck on the way back to her parents' place. And when she spots the three gorgeous guys with the vehicle, it's not just her taste buds that are tingling. Is Ginny's vacation in Silver Springs about to get a whole lot more interesting? *Moonstone* is a standalone contemporary reverse harem romance. It is part of the Jewels Cafe series. Keywords: menage foursome, m/f/m/m, erotic romance, reverse harem, reverse harem romance, contemporary reverse harem, rh, why choose, why choose, Christmas, Christmas romance, holiday romance, holiday, upstate New York, small town, romance, teacher, rancher, artist, winter romance, snow.

Hiding in Plain Sight Lucy Felthouse, 2017-07-27 She had every intention of seducing him but never expected to fall in love with him. Mallory Scott is a British espionage operative and a damn good one at that. Her current assignment to bring down a group of diamond thieves and scammers should be a piece of cake. She plans to get her claws into one of the gang, infiltrate the group, and uncover the information she needs to catch and prosecute them. Luck is on her side, and within twenty-four hours, she's lunching with Baxter Collinson, the youngest and most handsome diamond thief. What she's not expecting, however, is to get on with him quite so well. Attraction bubbles between them, and for once, on Mallory's part, it isn't an act. For the first time in her career, Mallory struggles with what she must do. Can she ignore her heart for the sake of the mission? Keywords: erotic romance, sexy spy, thriller, thriller, suspense, globetrotting.

Not That Kind of Witch Lucy Felthouse, 2024-02-29 Can Willow let go of her fears and begin living her life again, or will her issues get the better of her? Willow Green is having a hard time of it. Losing her job at the beginning of the pandemic and her elderly grandmother's clinically vulnerable status have resulted in her becoming housebound. While her entrepreneurial, hard-working spirit and the knowledge passed down through generations of green witches in her family mean she has solved her employment problem, her fear of going out, of allowing the dreaded virus into the house she shares with her grandmother, is far from resolved. In fact, it seems worse than ever. That is until Joe Lane comes along. The handsome care worker turned delivery driver does Willow a favour, gaining her attention and reluctant admiration. He's got plenty of baggage of his own, but he also has the skills and temperament to help her with her problem, and he really seems to care. The question is: will she let him get close enough to try? *Not That Kind of Witch* is a standalone M/F steamy contemporary romance. Keywords: green witch.
