conclusion to Nix's Keys to the Kingdom series Arthur Penhaligon must complete his quest to save the Kingdom he is heir to and Arthur's world The Hebrew Bible in Contemporary Fiction and Poetry Lena-Sofia Tiemeyer, 2025-03-31 This book discusses 20th and 21st centuries literary retellings of biblical texts focusing on how fiction and poetry fill the extant narrative gaps present in the often sparse biblical accounts and align the narratives with theological and or cultural

expectations of modern interpreting communities The chapters written by an international group of scholars explore biblical retellings in a variety of modern languages ranging from Korean and Chinese to Hebrew and Arabic Most of the contributions deal with retellings of the narrative books Genesis Exodus Judges Ruth 1 2 Samuel Daniel but a few are devoted to prophetic Hosea and poetic Psalms ones Another set of articles looks beyond specific biblical books and instead analyses how the Bible has been retold in different literary genres Children and YA literature sci fi and fantasy Christian Inspiration fiction and in modern political discourse North and South Korea All the chapters further highlight how literary retellings of the Bible form two way movements They reveal the often subversive quality of literary retellings retellings not only emphasise those nuances in the biblical texts that create unease but also problematise their standpoint and question their moral and theological message The Hebrew Bible in Contemporary Fiction and Poetry is suitable for students and scholars of biblical studies working on intertextuality and reception history It is also of interest to those working on comparative literature particularly with regards to the Hebrew Bible in popular culture and literature **Indian National Bibliography** ,2011-07
