Love...From Both Sides Nick Spalding,2012-10-25 When Nick Spalding self published Love From Both Sides and Love And Sleepless Nights he became one of the bestselling ebook authors of 2012 Now for the first time the Love books are being published in a longer format with more of the love story more of Laura and Jamie s ups and downs and more of the laugh out loud hilarious moments that fans have come to know and love Sometimes the hardest part of finding love is keeping a straight face For Jamie Newman being a single guy isn t proving to be much fun especially when confronted with a sexually belligerent divorcee and a goddess so far out of his league she might as well be a different species Mind you being a girl in search of love isn t a bowl of cherries either Just ask Laura McIntyre who s recently contended with a horny estate agent on a quest for light relief and a rabid mountain bike enthusiast with a penchant for lycra that leaves little to the imagination When Jamie and Laura bump into one another quite literally it looks like their luck may have changed but sometimes finding the right person is only the start of your problems Love From Both Sides is a warts and all romantic comedy for everyone who knows how tricky the quest for love can be *Love... from Both Sides* Nick Spalding,2012-03-07

Mudlarks Vickie Donoghue,2014-05-08 Mudlarks is a tragic beautifully realised play about three young men trapped at the wrong end of the river On the muddy banks of the Thames downstream from the bright lights of London three boys hide from the police after a night of recklessness Over the course of the freezing night their fears secrets and dreams emerge collide and combust revealing the desperate frustration of lives barely led but already ravaged As morning dawns their options diminish and just two questions remain do they have the power to determine their own fates or are they destined to sink into the mud Mudlarks heralds the arrival of an urgent new voice in British theatre Essex born Vickie Donoghue s powerful debut exposes the culture she grew up with and sees on a daily basis With brutal honesty she explores teenagers impulse to dream and its futility in a reality that has no space for dreamers *Love...And Sleepless Nights* Nick Spalding,2012-11-08 When Nick Spalding self published Love From Both Sides and Love And Sleepless Nights he became one of the bestselling ebook authors of 2012 Now for the first time the Love books are being published in a longer format with more of the love story more of Laura and Jamie s ups and downs and more of the laugh out loud hilarious moments that fans have come to know and love Sometimes the hardest part of becoming a parent is keeping a straight face Just ask Jamie and Laura Newman who thanks to a rather relaxed attitude to contraception find themselves about to have a baby It s obviously a terrifying prospect for a newly married couple but as long as they stick together they ll be just fine right They d better because the path between falling in love and those first few baby steps is littered with obstacles Featuring a hilarious cast of characters including an overbearing mother in law a terrifying midwife and at least one chorus of mating humpback whales Love And Sleepless Nights is the hilarious follow up novel all about what happens beyond the happy ever after Falling in love with another person is easy making a new one is where things get complicated *Love...Under Different Skies* Nick Spalding,2013-01-31
