Luna Of Mine The Grey Wolves 8 By Quinn Loftis:

Luna Of Mine Quinn Loftis, 2014-06-29 We've watched the Romanian Grey Wolves find their true mates, fight against evil and reunite with the other Canis lupis in the world. Now we will see just how the most powerful Alpha in their history met his match with the woman who became his mate and helped him become the man he needed to be in order to lead. Every life leaves behind a legacy. Every story has a beginning and an end. The Alpha of the Romania Grey Wolves knows this better than most. He also knows it's the things that transpire to create that legacy and the experiences, triumphs and failures that happen in the middle of the story that matter. His story began a century ago and now a tragedy has led him to his rightful place as Alpha of the Eastern Romania pack. Before he led hundreds, he had to learn to lead a few. Before he sacrificed for all, he had to be willing to sacrifice for any. Before he could be the man destined to save his race, he had to be willing to serve them. In order to be raised up, he had to first be torn down. There was only one who could do this and live, only one who could light his way when the darkness closed in on his mate, his Luna. This is the building of their legacy, the middle of their story. Their triumphs, their failures and their tragedies that would one day make them strong enough to restore a race torn apart by greed, envy and fear.

Sacrifice Of Love: Book 7 The Grey Wolves Series Quinn Loftis, 2013-09-12 As one evil falls, another rises in its place. The powerful witch Desdemona has finally been killed by an alliance of wolf, elf and fae. But Reyaz, brother to Cypher the warlock king, has vowed retribution for a life that was taken from him. Now Cypher must decide not only how to protect his newfound mate and his people, but also how to destroy the only family he has left. Meanwhile, Jen's pregnancy progresses and the fateful due date draws ever nearer. The thought of losing Decebel's child constantly threatens to overwhelm her. With each passing day, Decebel grows more distant, causing Jen to wonder what toll the impending loss of their child is taking on him. Unbeknownst to Jen, in an act of desperation to protect his unborn child and mate, Decebel strikes a deadly bargain with the Great Luna, his life in place of his child's. There is only one way for that to happen: the bond between him and Jen must be broken. As Jen and Decebel struggle through their darkness, another kind of darkness is infiltrating Fane's heart. Doubts and questions linger as he tries to cope with the emotions brought on in the aftermath of Desdemona's curse. He knows what happened wasn't real, but still, he can't rid himself of the terrible images seared into his memory. Jacques is his light, the one who keeps the darkness at bay, yet he won't let her inside to do just that. Sally continues to learn what it means to be a gypsy healer, and Costin struggles to protect her as she runs full speed ahead to help her wolves, heedless of her own safety. She sees her best friends struggling, each enduring their own trials. She's desperate to help them, but can she keep them safe? With all of these things hanging heavy over the heads of the Serbia and Romania packs, their attention is divided. The wolves do not even realize a threat has slowly infiltrated their midst. Will they recognize the threat in time to save the lives that precariously hang in the balance? Against this backdrop of darkness, choices will be made, fears will be confronted, and the ultimate sacrifice will be made. Will the wolves stand together to defeat the threats arrayed against them, both from within and without?

threat stronger than any the wolves have ever faced *Reign of Blood* Quinn Loftis,2022-12-27 Because I created you for such a time as this The Great Luna s words ring true for every member of the Romanian pack Not only the wolves but for all those who stand in defense of virtue purity and righteousness in a world plagued with monsters hell bent on destroying every good in their path Time and time again the Great Luna s warriors have faced depraved adversaries and each time they ve risen to the challenge With Fane as their leader and members of every supernatural race willing to follow him they will once again stand in the gap for those who cannot stand themselves protecting those who are ignorant of the dangers all around them The Order of the Burning Claw has been dealt a near fatal blow But this has only made them more dangerous like a cornered wolf injured and desperate Alston the former high fae and leader of the Order continues to wage war on Fane and his allies Cain the vampire king has other plans and they no longer include membership in the crumbling faction He has discovered some powerful new allies the very humans he once attempted to subjugate Could they unwittingly be the key that allows him to put finally eliminate all competition for rule of the supernatural races In the end one species will reign supreme One king will stand victorious The rest will bow or die *The Grey Wolves Novella Collection* Quinn Loftis,2021-01-13 A pack is made up of many members And each of those members has his or her own story to tell The following is a collection of four stories of the Romanian Greys and their allies Sacred Silence I thought nothing could be eviler than Desdemona or Reyaz or any other villain we ve faced down I was wrong I read all the books I could devour on the beauty of parenthood I thought I was ready But nothing could have prepared me for the hurricane of jacked up emotional chaos otherwise known as post partum hormones Jen Resounding Silence Duty sacrifice service and discipline These were the characteristics that described Cyn the warrior fae Though love was out of her reach she thought this life was all she needed She had never been more wrong A chance meeting with the Prince of the Elves turns her carefully structured world upside down Piercing Silence It s been six months since Jacque Lupei was imprisoned in the dark forest with her female pack mates wondering if they would ever see their mates again Six months since she and Fane found out that Jen and Decebel would not be the only couple adding a new pup to the pack Six months of peace and quiet other than Jen running her mouth incessantly about Sally getting to go on an adventure with Peri while she has to miss all the fun When she isn t complaining about that she spends her time commenting on how Jacque s butt is getting wider by the minute Jacque doesn t know it but the reprieve was about to be over Forgotten Silence Filthy Disgusting Unworthy trash The same thoughts keep swirling in Sally s mind She s broken and no one can fix her not her friends try as they might and not her beautiful mate She d thought when Costin had rescued her from Jericho s clutches broken the spell the rogue werewolf had cast on her and left the cur lying in bloody pieces on the floor of an Ocean Side bar that one day she might find some peace Perhaps with time she could forget the horrible things she d done Perhaps she could forget how she had betrayed her one true mate Now several weeks later the memories and the nightmares have only grown stronger *The Grey Wolves Series Books 1-6* Quinn Loftis,2020-10-06 Read the series with

stop his turmoil So she makes a desperate decision to do what she thinks her mate needs or doesn't need Others will call it insane Jen will add her own creative descriptions including expletives thrown in for added effect Whatever you call it Jacque calls it an answer to the darkness that is slowly consuming her mate She knows that if Fane has any idea of what she has planned he would chain her to his side So naturally she does what any female Canis lupus would do in her shoes she shuts down the bond and prays that no one gets in her way She knows he might never forgive her but then if her plan works he won't even remember her name Tears of the Moon Quinn Loftis,2018-12-07 A talented songwriter Shawn Gallagher spends his days lost in reverie and wonder oblivious to the wiles of women and the ways of the world He claims that he is content with his life but his music tells a different story one of loneliness and desperate longing No one understands why Shawn doesn't put his musical gift to profitable use least of all Brenna O Toole a fiercely independent tomboy who has been secretly in love with him for years But it is only when Shawn gives in to the mysteries of magic that he gets the chance to fulfill his destiny as a man and a musician as the song in his head keeps time with the beating of a woman's heart *Den Of Sorrows* Quinn Loftis,2016-03-25 The Romanian and Serbian Canis lupus rest in an uneasy peace One of their own Sally Miklos the young and powerful gypsy healer aids Perizada in her quest to defeat Volcan a long forgotten nightmare returned to our world These two packs watch as their brothers across the world wolves from Spain Ireland and America join their own forces in the battle against the evil dark fae At the same time the packs hope against hope that their presence might reveal a mate bond between a pack member and one of the five recently discovered gypsy healers While Jacque and Jen miss Sally their longtime best friend they have bided their time dealing with their own domestic issues Jacque and Fane are anticipating the birth of their first child and Jen and Decebel face the challenges of caring for an infant Both girls are eagerly awaiting Sally's return and have Perizada's word that she will be back in time for the birth of Jacque's baby Vasile and Alina the Alpha pair of the Romanian pack are enjoying this time of peace But Vasile did not become the most powerful Alpha in centuries by being a fool He has lived long enough to know that there is always another battle on the horizon As long as evil exists in this world his race must step forward and stand in the gap shielding those who cannot protect themselves But the battle he is anticipating is bigger than he could have ever imagined As Perizada has recently discovered creatures of the night that have for so long remained hidden from the human realm have slithered from their underground lairs and begun preying on the young and innocent The high fae has declared war and she expects Vasile and his wolves to be the ones to carry out the attack The Alpha is more than happy to oblige But with his first grandchild on the way and the gift of five vulnerable healers coming under the wolves protection he understands that he must be very careful not to place any of them in harm's way Such is the job of the Alpha protector and provider He and those he leads must stand as sentinels and warriors to safeguard those they love and the humans who know nothing of the supernatural world It will be their job to destroy the creatures that threaten to expose them all And if they fail the world as they know it both human and supernatural will never be the same
