Magic Under Glass Jaclyn Dolamore, 2010-07-05 Nimira is a music hall performer forced to dance for pennies to an audience of leering drunks When wealthy sorcerer Hollin Parry hires her to do a special act singing accompaniment to an exquisite piano playing automaton Nimira believes it is the start of a new life In Parry's world however buried secrets stir Unsettling below stairs rumours abound about ghosts a mad woman roaming the halls and of Parry's involvement in a gang of ruthless sorcerers who torture fairies for sport When Nimira discovers the spirit of a dashing young fairy gentleman is trapped inside the automaton's stiff limbs waiting for someone to break the curse and set him free the two fall in love But it is a love set against a dreadful race against time to save the entire fairy realm which is in mortal peril Between the Sea Was the Cat in the Hat Black? Philip Nel, 2017 Racism is resilient duplications and endlessly and Sky Jaclyn Dolamore, adaptable so it is no surprise that America is again in a period of civil rights activism A significant reason racism endures is because it is structural it s embedded in culture and in institutions One of the places that racism hides and thus perhaps the best place to oppose it is books for young people Was the Cat in the Hat Black presents five serious critiques of the history and current state of children's literature tempestuous relationship with both implicit and explicit forms of racism The book fearlessly examines topics both vivid such as The Cat in the Hat's roots in blackface minstrelsy and more opaque like how the children's book industry can perpetuate structural racism via whitewashed covers even while making efforts to increase diversity Rooted in research yet written with a lively crackling touch Nel delves into years of literary criticism and recent sociological data in order to show a better way forward Though much of what is proposed here could be endlessly argued the knowledge that what we learn in childhood imparts both subtle and explicit lessons about whose lives matter is not debatable The text concludes with a short and stark proposal of actions everyone reader author publisher scholar citizen can take to fight the biases and prejudices that infect children's literature While Was the Cat in the Hat Black does not assume it has all the answers to such a deeply systemic problem its audacity should stimulate discussion and activism School Library Journal ,2010 101 Great, Ready-to-Use Book Lists for Teens Nancy J.
