Faculty of Arts and Sciences. Department of English,1967 *Impotence and Making in Samuel Beckett's Trilogy Molloy, Malone Dies and The Unnamable and How it is* Joanne Shaw,2010 Impotence and Making in Samuel Beckett s Trilogy is situated at the intersection of the aesthetic socio political and theoretical construction of being and not being it is about making the self making others and making words set against being unable to make the self others and words Concentrating on Samuel Beckett s prose works though also focusing on some of his dramatic works the book aims to problematize the categories of impotence and making by showing Beckett s quasi deconstructive treatment of them as seen through his narrators images of being unable to make self other creatures and words impotence along with his narrators images of making self other creatures and words making By demonstrating that his narrators while being impotent nevertheless gestate and produce new entities from their bodies in the same way as a mother does a child the book aims to reveal how for Beckett s narrators creativity in its widest sense is envisaged *Samuel Beckett's New Novel* Grove Press,1956*
