Straight White Male John Niven,2014-10-07 From the bestselling author of Kill Your Friends a wildly funny look at the midlife crisis of a loveable rogue A high octane novel of excess Ian Rankin Irish novelist Kennedy Marr is a first rate bad boy When he is not earning a fortune as one of Hollywood s most sought after scriptwriters he is drinking insulting and philandering his way through Los Angeles successfully debunking the myth that men are unable to multitask He is loved by many women but loathed by even more including ex wives on both sides of the pond Kennedy s appetite for trouble is insatiable but when he discovers that he owes 1 4 million dollars in back taxes it seems his outrageous hedonistic lifestyle may not be as sustainable as he thought Forced to accept a teaching position at sleepy Deeping University where his ex wife and teenaged daughter now reside Kennedy returns to England with a paper trail of tabloid headlines and scorned starlets hot on his bespoke heels However as he acclimatizes to the quaint campus Kennedy is forced to reconsider his laddish lifestyle Incredible as it may seem there might actually be a father and a teacher lurking inside this preening narcissistic priapic sociopath A sharp and knowing satire of the film industry publishing and academia The Guardian

Robert Pattinson - The Biography Sarah Oliver,2015-08-06 The Twilight Saga may have made R Patz a household name and earned him a spot on the bedroom walls of teenage girls around the world but long gone are the days when he was just seen as a very pretty face Named amongst TIME magazine s 100 Most Influential People and drawing critical acclaim for recent screen performances he is carving a formidable reputation as a serious actor artist and ambassador as well as a sex symbol Hailed as the next Jude Law when the supporting role of Cedric Diggory in Harry Potter and the Goblet of Fire fell to him it was only a matter of time before other major productions joined the hunt But after accepting the offer to play Edward Cullen in the first Twilight movie Robert couldn t have dreamt just how far into the spotlight he would be catapulted The series went on to gross over 2billion worldwide and for the heartthrob star of the story opportunity knocked from every direction From supporting charities against child trafficking through selling his own artwork to campaigning to raise awareness of cancer it s clear he has a heart of gold to match a jawline of iron And with critically acclaimed performances in more mature movies like futuristic western The Rover and an Oscar bait role as T E Lawrence in Queen of the Desert on the horizon there can be no doubt that Robert Pattinson is set to be the modern day matinee idol of the decade
