Gareth Wilson, 2010-07 Religion is a duplicitous invention of primitive humans diametrically opposed to our moral intuition and driven by belief in gods whose existence is neither evident nor probable These are just some of the damning conclusions reached by Gareth Wilson within his pulsating assessment of organised faith Sweeping aside the punditry of religious apologists and their critique of previous atheist works The Plain Truths of Religion is the most extensive and full blooded summation of both the nature and purpose of humankind s greatest belief systems As such this piece is as raw as it is incisive and certainly not a read for the faint hearted

The Trouble with the Trinity Carlos A. Pinkham, 2019-07-26 One God or one with several forms Or maybe two three or perhaps many separate Gods If you seriously study all the Christian religions you will find that each of these possibilities is claimed That is one trouble with the Trinity there are just too many possibilities Which if any is right Which view does the Bible support And if it supports one view how strongly and in exactly what way The Trouble with the Trinity attempts to study every verse in God s Word that links a name for one or more members of the Godhead with a nearby word or concept for God Nearly a thousand verses meet this condition Collating them into logical categories reveals the eight and only eight possible ways and combinations that could help us understand that the Father Son and Holy Spirit is Three in One Moreover when the verses in each of these eight ways are further organized they provide deep insights into the nature of God And when the eight ways are woven together they reveal a startling symbol with relevance to Judaism Christianity Islam geometry and our neural network Furthermore these insights are reinforced through the symbolism of the colors used in the tabernacle when these colors are properly applied to the eight parts of the symbol The book incorporates mathematics and science especially the biological sciences written with plain language into the discussions of the Trinity Some of the proposed connections have never been posited elsewhere It also considers other symbols and icons of the Trinity for their ability to reflect aspects of the Triune Godhead The Trouble with the Trinity is not written for the theologian although it includes a section that presents a theological discussion of the Trinity Rather it is written for those who are curious about or confused by the Trinity For more information and to view Images About the book Appendixes and more as well as contact information please go to <https://www.thetwtt.com> You can also visit the author s Facebook page https://www.facebook.com/TTWTTrinity/view_public_for/100820838002256

Understanding God's Government Paul W. Syltje, 2005-03 Understanding God s Government dares to explore the nature of government at all levels its pyramidal hierarchical structure within civil religious business military and

social spheres and then dissect the motivations behind their leaders It is discovered that fear is usually the prime motivator that leaders use to gain and maintain control The Creator s intended form of government for mankind however is a brotherhood based upon lateral relationships of love and concern for one s fellow man The author delves into Biblical and secular sources to elucidate the nature of today s governments elements of Godly government ideal government within the ecclesia forms of government that work and their consequences Additional articles are included by former presidential candidate Harry Browne Herbert W Armstrong James Lloyd Norman Edwards and the author Learn why future government holds so much promise within this war torn unstable world

That Amazing Grace Dick B.,1996 Dick B as A A s leading historian is particularly qualified to write on this Clarence Snyder subject First he read the Clarence Snyder materials Second he met a number of Snyder sponsees at the Snyder spiritual retreats where he was invited to speak Third he worked with and partially edited the How It Worked book by Clarence Snyder sponsee Mitch K Fourth Dick and his son spent a week with Clarence s widow Grace gathering information about Clarence Grace and A A Finally Dick was later asked by three old timer Clarence Snyder sponsees to compile and edit their A A Legacy based on Snyder s teachings techniques beliefs and their successes Dick has published 33 history titles in all to date

The Unknown God Robert J. Kerr,2008-01-08 The Unknown God by Robert J Kerr is Gods biography from the Bible It is a meticulously researched compilation of scripture outlining more than one thousand aspects of God from seventeen different Bible versions Learn what God says about Himself what He has done what He wants for us and more With an accurate understanding of God from the Bible we can discern many aspects of life why things happen how to go in the direction we want with our lives and have the confidence that we know what God wants for us This book will profoundly affect your live and wellbeing when you understand more about God and how the peace of God can rule in your heart Whether you are a student teacher or interested layperson it gives you the ability to discern and understand current news and media such as when you hear phrases like Acts of Godare they really acts of God The Unknown God makes a great reference guide that will open your heart to understanding and knowing more about God Get a copy of this insightful book and discover the many truths about the God who made the world and everything in it Psalms 119 105 Thy word is a lamp unto my feet and a light unto my path Psalms 119 162 I rejoice at thy word as one that findeth great spoil Jeremiah 15 16 Thy words were found and I did eat them and thy word was unto me the joy and rejoicing of mine heart for I am called by thy name O LORD God of hosts

The Unknown Charles Olabode Da-Silva,2014-11-06 Charles DaSilva is an exceptional man I had the privilege to spend a decade of my life around his presence and learned a lot about life growth awareness and strongly self evaluation

His caring heart and selflessness makes him a stellar being and one that you can learn and grow from What makes Charles DaSilva forward thinking is his attitude to embrace the challenges of life by using the tools he has learned over his lifetime which makes him aware to adapt to the challenges and come out of it victorious When Charles told me his idea for the book without a doubt in my mind I knew that it was possible he would show me the transcripts of years of writing and I would stare in amazement because this was his destiny from years before and now to see this vision to come to light is nothing short of Gods calling for Charles DaSilva to share his wisdom for all to learn and grow in the direction they ve been destined to be George Anyona **KJV, Foundation Study Bible** Thomas Nelson,2015-09-01 The perfect foundation for Bible study and the Christian life Build your life on it The Foundation Study Bible is a thorough portable and affordable Bible for students of God s Word at any level It has the most important helps for basic study whether you re just beginning or brushing up on essentials Features include Trustworthy time honored KJV text Cross references Verse by verse study notes and theological notes Words of Jesus in red Index Concordance Full color Bible maps Part of the Signature Series line of Thomas Nelson Bibles The King James Version The most successful Bible translation in history with billions of copies published

Catalogue of English Bible Translations William J. Chamberlin,1991-12-10 While other Bible catalogs are available this comprehensive reference book is destined to become the standard in the field Chamberlin s one volume work traces the publication history of multiple editions of Bible translations and offers valuable descriptive annotations The catalog not only includes complete Bibles but also Old and New Testaments partial texts commentaries that include translations children s Bibles Apocryphal writings and the Koran as well Other bibliographies are usually limited to editions commonly found in academic libraries but Chamberlin s guide also includes Bibles found in private collections Overall this catalogue contains more than five times as many entries of different English translations as two other Bible bibliographies those by Hill and Herbert combined The entries are grouped in 151 categories and within each category entries are listed in chronological order The accompanying annotations identify the translator and provide an overview of the contents of each work The detailed indexes make this bibliography a convenient tool for researchers Bible scholars collectors and rare book dealers will find this catalogue a necessary addition to their libraries New Testament Literature William Nelson Lyons,Merrill Mead Parvis,1948 **A History of the English Bible as Literature** David Norton,2000-05-29 Revised and condensed from David Norton s acclaimed A History of the Bible as Literature this book first published in 2000 tells the story of English literary attitudes to the Bible At first jeered at and mocked as English writing then denigrated as having all the disadvantages of an old prose translation the King James Bible somehow became unsurpassed in the entire range of literature How so startling a change happened and how it affected the making of modern translations such as the Revised Version and the New English Bible is at the heart of this exploration of a vast range of religious literary and cultural ideas Translators writers such as Donne Milton Bunyan and the Romantics reactionary Bishops and radical students all help to show the changes in religious

ideas and in standards of language and literature that created our sense of the most important book in English **'The Real Scriptures' of God** James Platter,2012-08-14 Inside the covers of this book you will find the Real Scriptures of the Christian churches Many church leaders know that other Christian churches hold to these books but they are only willing to state what they have been brain washed to believe that is about the other inferior books It isnt in the canon of scripture formed of course by the early Catholic Church at various stages and Councils from the fourth century A D therefore no one has the right to change what is in the canon of scripture and the Catholic Church changed it in their councils not in agreement of other Christians but to hide their offence at the words of God They would not even imagine that different churches have different scriptures and assume that the correct canon of scripture must be the one first declared by the Catholic Church and its priests but other priests must be considered demented or apostate but they are not affected by the changes they made to the canon of Scripture over many centuries They will not consider the canons of Orthodox Churches or others because they vary in different regions of the world So is European Christianity based in the Vatican City right about all its holy scriptures while everyone elses church scriptures are false scriptures Ethiopia it seems got most books of scripture right even with their translation into an ancient language **Into the Unknown: Recklessly following the call of God** Peter Vandenberg,

A Dictionary of the Holy Bible John Brown,1824 *The Life Recovery Workbook for Divorce* Stephen Arterburn M. ED.,David Stoop,2020 The Life Recovery Workbooks meet the needs of people dealing with compulsive behaviors that go beyond alcohol and substance abuse These workbooks complement The Life Recovery Bible and focus on developing a biblical foundation for both understanding and successfully overcoming specific areas of struggle Each workbook explores how Scripture speaks to a specific issue The series provides a solid recovery path to many who have never considered working the 12 Steps for a specific problem and for those who have worked the 12 Steps for addiction or codependency but have never homed in on a specific area of struggle **Treating Black Women with Eating Disorders** Charlynn Small,Mazella Fuller,2020-07-14 The first of its kind this edited volume provides in depth culturally sensitive material intended for addressing the unique concerns of Black women with eating disorders in addition to comprehensive discussions and treatment guidelines for this population The contributing authors all of whom are Black professionals providing direct care to Black women offer a range of perspectives to help readers understand the whole experience of their Black female clients This includes not only discussion of their clients physical health but also of their emotional lives and the ways in which the stresses of racism discrimination trauma and adverse childhood experiences can contribute to disordered eating Through a wealth of diverse voices and stories chapters boldly tackle issues such as stereotypes and acculturative stress Clinicians of any race will gain new tools for assessing diagnosing and treating disordered eating in Black women and will be empowered to provide better care for their clients **Comprehensive Commentary on Kant's Religion Within the Bounds of Bare Reason** Stephen R. Palmquist,2015-12-21 Palmquist s Commentary provides the first definitive clarification on Kant s

Philosophy of Religion in English it includes the full text of Pluhar's translation interspersed with explanations providing both a detailed overview and an original interpretation of Kant's work Offers definitive sentence level commentary on Kant's Religion within the Bounds of Bare Reason Presents a thoroughly revised version of Pluhar's translation of the full text of Kant's Religion including detailed notes comparing the translation with the others still in use today Identifies most of the several hundred changes Kant made to the second 1794 edition and unearths evidence that many major changes were responses to criticisms of the first edition Provides both a detailed overview and original interpretation of Kant's work on the philosophy of religion Demonstrates that Kant's arguments in Religion are not only cogent but have clear and profound practical applications to the way religion is actually practiced in the world today Includes a glossary aimed at justifying new translations of key technical terms in Religion many of which have previously neglected religious and theological implications
