Kitty And Her Sisters By Maureen Lee:

Kitty and Her Sisters Maureen Lee, 2010-09-09 Another wonderful Liverpool saga from bestselling author Maureen Lee At the age of nineteen Kitty McCarthy has decided she is going to live a life less ordinary although she doesn't know quite how to go about it What she does know is that she doesn't want to get married and raise children in Liverpool like her elder sisters Claire who is a mother hen easy going Norah and elegant Aileen But Kitty's resolve is tested by the unexpected direction her life takes The combination of an impetuous youthful decision and a chance meeting twenty years later are to have momentous repercussions that will stay with her for ever and it is her sisters who are the constant thread when other relationships come and go They know her best they say and in the end they know what's best for her although Kitty would almost certainly disagree *The Kelly Sisters* Maureen Lee, 2015-07-30 It should have been the start of a brand new life in Liverpool Patricia Tara and Aideen couldn't be more excited about leaving Dublin with their father and heading for a new life in Liverpool Yet it soon becomes clear that all is not as it seems The day after the family arrive in England father Bernie hastily sweeps the girls onto a huge ocean liner heading to New York When Bernie tragically vanishes midway across the Atlantic the grieving sisters are forced to prepare themselves for a new life far away from home friends and family What was their father running from Can the girls put the tragedy behind them and build new lives in New York A heartwarming family saga from Sunday Times bestselling author Maureen Lee perfect for readers of Katie Flynn Dilly Court and Kitty Neale What readers are saying about Maureen Lee the queen of Liverpool sagas A great storyteller Liz Amazon reviewer The characters jump off the page I would definitely recommend R Amazon reviewer I never want to put Maureen's books down Whitehouse Amazon reviewer I couldn't put this book down Pat Amazon reviewer Kept me gripped from the very first page highly recommend Diana Amazon reviewer *The Leaving of Liverpool* Maureen Lee, 2007 It's not the leaving of Liverpool that's grieving me but my darling when I think of thee It is a cold February night in 1925 when two teenage sisters Mollie and Annemarie Kenny escape from their home in a tiny Irish village Their beloved mother has died and the girls have suffered shocking abuse at the hands of their doctor father With sensitive creative Annemarie so traumatised she can barely remember her name Mollie decides they should make a new life for themselves and she takes her younger sister to Liverpool where they will board a ship to New York There she thinks they will be safe But the smallest cruellest twist of fate conspires to separate the girls just as the boat is about to sail leaving Mollie stranded in Liverpool and Annemarie at the mercy of strangers in America The subsequent paths of their lives could not be more different Annemarie discovers her future her fortune and her raison d'être on Broadway while Mollie devastated by guilt and grief at the loss of her sister eventually carves out a life of family hearth and home in Liverpool a city of warmth and humour that she grows to love As the 1920s make way for the Depression and the edgy 1930s the spectre of another war looms The Second World War will separate many more people from their loved ones but as Mollie sees in the cheerful stoical camaraderie of blitzed Liverpool it can also bring
