Displacing the Anxieties of Our World Ildikó Limpár, 2017-01-06 Monster studies dystopian literature and film studies have become central to research on the now proliferating works that give voice to culture specific anxieties This new development in scholarship reinforces the notion that the genres of fantasy and science fiction call for interpretations that see their spaces of imagination as reflections of reality not as spaces invented merely to escape the real world In this vein Displacing the Anxieties of Our World discusses fictive spaces of literature film and video gaming The eleven essays that follow the Introduction are grouped into four parts I Imagined Journeys through History Gaming and Travel II Political Anxieties and Fear of Dominance III The Space of Fantastic Science and Scholarship and IV Spaces Natural and Spaces Artificial The studies produce a dialogue among disciplinary fields that bridges the imagined space between sixteenth century utopia and twenty first century dystopia with analyses penetrating fictitious spaces beyond utopian and dystopian spheres This volume argues consequently that the space of imagination that conjures up versions of the world s frustrations also offers a virtual battleground and the possibility of triumph coming from a valuable gain of cognizance once we perceive the correspondence between spaces of the fantastic and those of the mundane

Will Spook You For Real Christina Maria Huber, 2018 Popular fiction can be more than feel good diversion Stories which are intended to entertain are uniquely suited to affect their recipients feelings or moods and tend to leave a more sustained impression

than lectures or lists of facts It is hardly surprising therefore that story telling keeps on thriving in the 21st century with ever new media providing ever new space for narratives In Will Spook You For Real Huber examines a wide range of strategies used in fiction to trigger a specific emotion in the readers anxiety regarding the social constructs they live in and their specific positions within these constructs Can we trust our neighbours Can we rely on our governments What do big corporations have in mind And what happens if I cannot conform to the role which has been assigned to me **Current**

Urban Monstrosities Joseph Lamperez,Ali McGhee,2018-07-27 Sign of sublime excess and transgression guardian of the threshold and uncanny creature par excellence the monster of late has also become a mainstay of urban narratives even while its presence in these texts remains untheorized The authors in this collection show how artists and writers across the past two hundred years from William Wordsworth to China Mi ville figure the monster as a barometer of changing urban patterns Here monstrosity becomes the herald of embryonic social forms and marginalized populations in portrayals of cities across media from video games film and avant garde sonic experiments to written tales of urban fantasy and gothic ruin This volume suggests that poetic and municipal structures evolve in tandem Within its chapters unearthly buildings and beings signal a host of new urban dispensations **Fairy Tales of London** Hadas Elber-Aviram,2021-01-28 Finalist for the 2022

Mythopoeic Scholarship Award for Myth and Fantasy Studies From the time of Charles Dickens the imaginative power of the city of London has frequently inspired writers to their most creative flights of fantasy Charting a new history of London fantasy writing from the Victorian era to the 21st century Fairy Tales of London explores a powerful tradition of urban fantasy distinct from the rural tales of writers such as J R R Tolkien Hadas Elber Aviram traces this urban tradition from Dickens through the scientific romances of H G Wells the anti fantasies of George Orwell and Mervyn Peake to contemporary science fiction and fantasy writers such as Michael Moorcock Neil Gaiman and China Mi ville **Memo for Nemo** William

Firebrace,2022-10-04 A cultural history of living in the undersea both fictional and real from Jules Verne s Captain Nemo to NASA s ECC02 project In Memo for Nemo William Firebrace investigates human inhabitation of the undersea both fictional and real Beginning with Jules Verne s Captain Nemo an undersea Renaissance man with a library of 12 000 volumes on his submarine and proceeding through aquariums undersea photography artificial seas on land nuclear powered submarines undersea film epics giant squid and NASA satellites Firebrace examines the undersea as a zone created by exploration and invention Throughout the history of undersea life is accompanied by an imagined undersea envisioned by cultural figures ranging from Verne and Herman Melville to Orson Welles and Jimi Hendrix Firebrace takes readers though the enormous

sequence of rooms impossible in real life in Nemo's submarine recounts the competition among nineteenth century cities to build the most spectacular aquatic world and explains the workings of the bathysphere an early underwater vessel modeled on a hot air balloon He considers the aquarium's function in films as a sort of viewing lens describes the chlorine proof artificial sea life seen by passengers on the submarine ride at Disneyland and reports that Jacques Cousteau's famous underwater documentaries were in fact highly staged The oceans of today are not those imagined by Verne they are changing from both natural processes and human influence Memo for Nemo documents the power of the undersea in both art and life
