Woolley, 2016-06-13 In a land of myths and legends FATE always has the upper hand Erland Kalebsen always dreamed of being a warrior but now his dream is about to become a nightmare The sons and daughters of the last generation of warriors grew up on stories of honour glory and daring When a new girl arrives in Ribe a prophecy which is centuries old begins to unfold When a girl from across the sea arrives in Ribe war is not far from the land Yet hope is not lost for the power of the arm rings can restore the balance and bring peace to all the tribes Eight arm rings forged by the hand of Yngvar filled with untold power But if the hands of darkness hold them the curse of Reinholdt will be unleashed and no power of man nor god can save the light of Midgard An attack on the town by the warriors of Hedeby flings Erland Christian Dalla Eva Riki and Wifrið the wolf into an adventure that promises to change their lives forever Out in the wilds of the Danelands there are more dangers to worry about than the warriors of Hedeby pursuing them at every turn Mythical and magical beasts stalk the land as do the vlvur witches or staff wielders with motivations of their own Ambushed by their fireside the children find themselves at the mercy of Ciara the vlvur Can the adventurers escape the clutches of the witch avoid the warriors of Hedeby and find the arm ring of Yngvar that is hidden near the city of Lindholm or are they doomed to fail plunging their homeland into the unending fires of war For readers who like tales of wonder Viking adventures and fairy tales FATE is a book that is not to be missed Buy FATE today and find yourself on your own Viking adventure The paperback books are specially formatted to help engage dyslexic and reluctant readers making reading less of a chore and more of a joy The Children of Ribe is a Viking Saga for children bringing the culture and mythology of the Danish Vikings to life The book series has been influenced by Enid Blyton Arthur Ransome Susan Cooper J R R Tolkien and C S Lewis Based in Denmark during the time of the Vikings these books are tales of magic and danger that are suitable for children from the ages of seven and up to read on their own but also perfect for people to read to children from the age of 4 The Children of Ribe is a modern fairy tale that brings elements of Danish folklore and mythology to life mixed with elements of Viking culture These books have been designed to help children with dyslexia to read You can watch author C S Woolley talking about dyslexia and reading from FATE book 1 in the Children of Ribe series here <https://youtu.be/EcnKLKa5c98> Whether you are interested in Vikings studying them at school or are simply shopping for the perfect gift for your favourite bookworm the Children of Ribe series is just what you are looking for The Children of Ribe books have all been formatted to help encourage dyslexic children and reluctant readers to engage with books The type space and font sizing are larger than in most books and the font has been chosen as it
