The Gothic World of Anne Rice Gary Hoppenstand, Ray Broadus Browne, 1996 Such readers find allusions in Rice's work to that of Horace Walpole's *The Castle of Otranto* to Ann Radcliffe's gothic romances such as *The Mysteries of Udolpho* and to Bram Stoker's *Dracula* as do such present day authors as Clive Barker Robert R McCammon and Stephen King

The Anne Boleyn Bible Mickey Mayhew, 2024-01-18 The definitive bible on all things Anne Boleyn from her guilt and execution to her relationship with Jesus Christ as well as depiction of Anne in popular culture from TV series to West End musicals Anne Boleyn sells but she sells in segments a biography here a study over there on her guilt and something else yonder concerned with where she lived or what she liked to wear This book covering not just her life but her life onscreen in theater on TV and also the impact of the first black actress to play her is the definitive all encompassing story of Anne Boleyn from 1501 or thereabouts to 2023 Having examined the ardent fandom of Anne Boleyn for his doctorate Dr Mickey Mayhew is in a unique position to offer something new to say on this much discussed tragic Tudor queen and is not afraid to tackle some of the less palatable aspects of her life Also this book is the first to examine with authenticity the reality of Anne's relationship with the most important man in her life the man whose name she repeated in comfort while facing the Swordsman of Calais on the scaffold having spent her life promulgating his doctrine Jesus Christ himself As for the aforementioned executioner Dr Mayhew's research in Calais and Saint Omer can now lift a lid on a few of the particulars of this elusive and yet essential figure of Anne Boleyn mythos and yes now he even has a name as well The Anne Boleyn Bible also offers a straightforward retelling of Anne's actual historical life albeit one that outlines an entirely fresh and empowering perspective on her rise to prominence this is followed by a series of considered arguments on the for and against in regard to her guilt then her entry into popular culture firstly in plays and masques before she went on to headline movies TV series cosplay and now with the first black woman to portray her model and actress Jodie Turner Smith This book is simply what it says on the cover The Anne Boleyn Bible leaving no depiction no religious aspect no appearance in popular culture from *The Simpsons* to the West End musical *Six* overlooked likewise Dr Mayhew also turns his trademark brand of rather wry commentary toward the vast plethora of Anne Boleyn merchandising tourist spots rubber ducks beanies and the wrangling question of who was the ultimate onscreen Anne Genevieve Bujold or Natalie Dormer

Anne Rice and Sexual Politics James R. Keller, 2015-11-16 From the vampires Lestat and Louis to a sexually liberated *Sleeping Beauty* novelist Anne Rice has created a host of characters who are notable for their paradoxical combinations of the deviant and the conventional Exit to Eden for example ends with the sado masochistic protagonists embarking on a traditional monogamous heterosexual relationship while the vampires often long to exchange their erotic immortality for ordinary mortal lives and loves This scholarly analysis of the seemingly incompatible elements of the subversive and the socially acceptable in Rice's early work covers her career from the landmark *Interview with the Vampire* 1976 to *Lasher* 1993 Each chapter tackles a different aspect of Rice's conflicting

portrayals of sexual issues including homophobia pedophilia castration anxiety and the vast array of gender stereotypes and roles that her novels so often interpret and exploit This study is appropriate both for readers of Rice s writing and those intrigued by issues of sexual politics and the ways in which a popular author both embraces and repudiates some of the most shocking concepts of sexuality An index and bibliography are included to aid research Sequels Janet G.
