**My Brother's Keeper** Tim Powers, 2023-09-05 THE TRUE STORY OF THE BRONT SISTERS AS ONLY TIM POWERS COULD WRITE IT This is a ghost story It is a story about werewolves and things that go bump in the night It is a story of an ill fated land the pathless moors of Northern England so well chronicled in Wuthering Heights And it is the story of a real family whose destiny it is to deal with this darkly glamorous and dangerous world When young Emily Bront helps a wounded man she finds at the foot of an ancient pagan shrine in the remote Yorkshire moors her life becomes contentiously entwined with his He is Alcuin Curzon embittered member of a sect working to eradicate the resurgent plague of lycanthropy in Europe and northern England But Emily's father curate of the Haworth village church is responsible for having unwittingly brought a demonic werewolf god to Yorkshire forty years ago and it is taking possession of Emily's beloved but foolish and dissolute brother Curzon must regard Emily's family as a dire threat In spite of being at deadly odds Emily and Curzon find themselves thrown together in fighting werewolves confronting pagan gods even saving each other from the lures of moorland demons And in a final battle that sweeps from the haunted village of Haworth to a monstrous shrine far out on the moors the two of them must be reluctant allies against an ancient power that seems likely to take their souls as well as their lives At the publisher's request this title is sold without DRM Digital Rights Management Praise for Stolen Skies Powers unveils the mystical underneath the mundane world we live in he has the ability to describe things you've seen or experienced a million times and show them in a completely new light Boing Boing Praise for Forced Perspectives One book I've been hugely excited about is Tim Powers's latest Forced Perspectives set in the magical underbelly of modern day Los Angeles Powers may be the master of the secret history novel and one of the originators of steampunk but his recent work has really explored the history and magic of Tinseltown in a way no one else can Lavie Tindhar The Washington Post Praise for Alternate Routes Powers continues his run of smashing expectations and then playing with the pieces in this entertaining urban fantasy This calculated frenetic novel ends with hope for redemption born from chaos Powers work is recommended for urban fantasy fans who enjoy more than a dash of the bizarre Publishers Weekly Alternate Routes is both a thrilling mash up of science fiction fantasy and horror and a work of startling moral sophistication The horror packs a wallop and there's as much in the way of suspense and tension as the reader can bear Powers takes us on one hell of a ride The Federalist Praise for Tim Powers Powers writes in a clean elegant style that illuminates without slowing down the tale He promises marvels and horrors and delivers them all Orson Scott Card Other writers tell tales of magic in the twentieth century but no one does it like Powers The Orlando Sentinel immensely clever stuff Powers prose is often vivid and arresting All in all Powers unique voice in science fiction continues to grow stronger Washington Post Book World Powers's strengths are his originality his action crammed plots and his ventures into the mysterious dark and supernatural Los Angeles Times Book Review
