Late Call Emma Hart, 2014-04-19 She s a high class call girl He s taking over his father s business Seven years ago they fell in love in Paris They walked away at the end of the summer never imagining they d meet again Now he s her client We fell in love the way you jump from a cliff Hard and fast with a reckless sense of abandon The six weeks we spent together changed my life but at seventeen I was naive I was a dreamer A believer Now I m twenty four and cynical I don t believe in love There s no place for such emotions as a high class escort The only things I m allowed to feel are physical and that s why it s so damn hard when the client of a last minute job turns out to be the man I left in France seven years ago When he buys me for six weeks at triple my rate my agent makes it clear I have no choice but to take the job despite our previous relationship And my heart makes it very clear I have to stay firmly on top of the cliff this time Because for six weeks I once again belong to Aaron Stone

Baldwin, 2020-09-01 Angel on a Freight Train examines the experiences of Samuel Edward Warren 1831 1909 a teacher and college professor in Troy New York who struggled to reconcile his same sex erotic desires with his commitment to a Christian life Unlike twenty first century evangelicals who try to pray the gay away Warren discerned no fundamental conflict between his faith and his attraction to younger males Growing up in the antebellum Northeast in a culture that permitted and even celebrated emotional bonds between men he strove to build emotionally intense relationships in many overlapping forms friendship pedagogy evangelism and romance which allowed him to enjoy intimacy with little effort at concealment However as he passed into mature manhood and built a prestigious career Warren began to feel that he should have grown out of romantic friendships which he now feared had

become emotionally and physically excessive Based on Warren s deeply introspective and previously unexplored diaries
Angel on a Freight Train traces his youthful freedom and sensuality his attempt to join with younger men in a spirit of loving
mentorship and finally the tortured introspection of a man whose age seemed to shut him out from an idyllic lost world In the
end Warren came to believe rather sorrowfully in a radical division between his angelic ideal self and what he called the
