Leaves John Simmons, 2021-05-19 Experience London in 1970 as a journalist captures a community's ups and downs over the course of a year in this slice of life saga Ophelia Street 1970 A street like any other a community that lives and breathes together as people struggle with their commitments and pursue their dreams It is a world we recognise a world where class and gender divide where set roles are acknowledged But what happens when individuals step outside those roles An observer amid Ophelia Street watches writes imagines remembers charting the lives and loves of his neighbours over the course of four seasons revealing the flimsily disguised underbelly of urban life in all its challenging glory As the leaves turn from vibrant green to vivid gold so lives turn and change too laying bare the truth of the community Perhaps ultimately we all exist on Ophelia Street *National Union Catalog*, 1973 Includes entries for maps and atlases Leaves John Simmons, 2015-06
