After the Grizzly Peter S. Alagona, 2020-02-25 This book traces the history of threats to species and habitat in California from the time of the Gold Rush to the present The author shows how over the course of more than a century scientists and conservationists came to view the fates of endangered species as dependent on the ecological conditions and human activities in the places where those species lived The story begins with the tale of the state s extinct mascot the California grizzly and the conservation movements and laws that followed its disappearance. The second half of the book focuses on four high profile endangered species the California condor the desert tortoise the San Joaquin kit fox and the Delta smelt The author offers an account of how Americans developed a civil system in which imperiled species serve as proxies for broader conflicts about the politics of place The book concludes that the challenge for conservationists in the twenty first century will be to expand habitat conservation beyond protected wildlands to build more diverse and sustainable landscapes New Music Report, 2002-04-29 CMJ New Music Report is the primary source for exclusive charts of non commercial and college radio airplay and independent and trend forward retail sales CMJ s trade publication compiles playlists for college and non commercial stations often a prelude to larger success Lion's Heat Lora Leigh, 2010-04-06 The mating urge cannot be ignored Bad boy Jonas Wyatt knows it is fate that Rachel becomes his mate He can sense it He can also sense her reluctance But she has little power over the mating heat of the Breeds It is Jonas's destiny to claim her And nothing will stop him from having his way CMI New Music Report, 2002-05-06 CMJ New Music Report is the primary source for exclusive charts of non commercial and college radio airplay and independent and trend forward retail sales CMJ s trade publication compiles playlists for college and non commercial stations often a prelude to larger success Anne Francis Laura Wagner, 2011-08-12 This first ever biography of American actress Anne Francis will enlighten her casual fans and earn a nod of agreement from her diehard admirers The star of such 1950s cinematic classics as Bad Day at Black Rock Blackboard Jungle and Forbidden Planet Anne made the risky decision to transplant her talents to television and as a result her acting has often been taken for granted But TV supplied her with the groundbreaking title role in Honey West 1965 66 where she became the first leading actress to portray a private detective on a regular weekly series All of Anne Francis film and television appearances are chronicled including a full episode guide for Honey West and a complete listing of her guest roles on such series as The Twilight Zone The Untouchables and Murder She Wrote Coming Back to a Theater Near You Brian Hannan, 2016-06-14 In the Silent Era film reissues were a battle between rival studios every Mary Pickford new release in 1914 was met with a Pickford re release For 50 years after the Silent Era reissues were a battle between the studios who considered old movies found money and cinema owners who often saw audiences reject former box office hits In the mid 1960s the return of The Bridge on the River Kwai 1957 the second biggest reissue of all time altered industry perceptions and James Bond double features pushed the revival market to new heights In the digital age reissues have continued to
