Losing Me Finding You Losing Me Finding You 1 By Natalie Ward:

Losing Me Finding You Natalie Ward, 2014 The 29th of February the day I was born When I wake up on this day I m in a different city with a different life and no memory of the lives I had before this one Today is the tenth time this has happened to me The tenth time I ve had to figure out where the hell I am The tenth time I ve had to try and work out who the hell I am This is the tenth alteration of the person I am Each of us has had different lives different backgrounds and different families But there s always been one constant Him He s the reason I keep doing this He s the reason I spend four years searching If I m lucky I ll get the trigger and find him quickly and we can spend those four years together before I disappear again If I m not we might get a year a month or even just a day Once we got nothing but that was a choice And every time it happens he patiently waits for me He says that every time I come back to him it s like falling in love with me all over again I say that every time I come back I fall even more in love with him than before It scares me that one day I won t be able to find him at all because when that day comes I m not sure I ll want to keep going He is my strength my protector my one and only constant I love him He loves me But every four years I lose myself And every four years I have to find him This is our story
