**Magus of Stonewylde** Kit Berry, 2005 A story of pagan ritual and ancient alchemy of passion cruelty and a prophecy to be fulfilled P 4 of cover      **The Complete Stonewylde** Kit Berry, 2013-09-12 The complete STONEWYLDE saga collected together for the first time Here are all five STONEWYLDE novels This cult series is a magical tale of love anger and loss but also finally of triumph against all adversity Stonewylde is an alternative community hidden away in the heart of Dorset and ruled by the charismatic Magus It s a place of standing stones and earth energy a place where the old ways are remembered Within a great stone circle the eight pagan festivals are celebrated and ancient rites performed The thirteen full moons are honoured and the people live natural and uncomplicated lives as their ancestors have done for hundreds of years But all is not quite as it seems There s another side to Stonewylde a darker side where cruelty is rife Sylvie and her mother are invited into the community victims of modern life Suffering from the stresses of inner city life they believe that by entering the enclosed world of Stonewylde their troubles will be over Magus promises them fulfilment that they will lack for nothing He promises to heal them and care for them calling on the green magic that pervades everything at Stonewylde But one boy alone Yul understands the true reason for their invitation and what malevolence their arrival has triggered As the series unfolds the struggle between Yul and his master becomes more brutal and the stakes are raised Sylvie is in terrible danger as an old prophecy is revealed and the pieces of the puzzle start to slide into place Sylvie and Yul must battle not only to save themselves but the very heart of Stonewylde      **Moondance of Stonewylde** Kit Berry, 2006 Yul has incurred Magus wrath by challenging him for the leadership of the community The sunrise ceremony amongst the great standing stones was a disaster for Magus with Yul lighting the Solstice Fire and receiving the powerful earth energy in his place But Magus still holds the power and embarks on an attempt to subdue the Village boy      **Moondance of Stonewylde** Kit Berry, 2011-06-02 The cracks are beginning to show in the idyllic Stonewylde community As Yul and Sylvie s forbidden friendship grows into something deeper Magus true nature starts to emerge through his charming fa ade Ever since Yul defied him at the Summer Solstice his power has been waning and his mood darkening Yul is the problem and Magus is going to deal with him Nobody challenges his authority and survives Sylvie is in danger too Magus has discovered her secret and now for all its beauty her magical gift and Magus desire to possess it is putting her life at risk As each full moon rises Sylvie is made to suffer more and the agony she endures as her magic is stolen leaves her increasingly exhausted sapping her will to fight back Unless Magus can be stopped every full moon could be Sylvie s last As glorious summer turns to golden autumn the magic of Stonewylde is becoming a curse to the very people it should nurture Are Yul and Sylvie the only ones who see the truth behind Magus mask of kindness Why is everyone so deceived by his charm and why is Mother Heggy the mysterious wise woman the only one who will help them The darkness of winter is coming and as it does Sylvie and Yul s lives hang by a whisker Either they will save each other or history will repeat itself at the sinister standing stone above the cliffs      Magus of Stonewylde Kit

Berry,2011-05-05 How far would you go to save your child Exhausted single mum Miranda is prepared to try anything Suffering from baffling allergies and illnesses her teenage daughter Sylvie has been written off by doctors An offer of alternative therapy at a grand Dorset estate may be her last hope and so against her better judgement Miranda grabs this life line Stonewylde is a beautiful and magical place a sanctuary free from modern taint The retreat is remote hidden away behind high walls and iron gates and soon the rat race outside fades to insignificance Stonewylde is ruled by the charismatic Magus who vows to cure Sylvie and give both their hearts desires He promises the earth and it seems he can deliver But everything comes at a price Life at Stonewylde is too idyllic too wholesome too perfect The ancient rituals in the stone circle are not quite what they seem and neither is the Magus whose sinister sensuality hides a darker secret Sylvie and Miranda join the community and both fall in love for the first time But their arrival triggers a brutal chain of events that could destroy the unique world of Stonewylde Mother and daughter will eventually discover the truth Stonewylde may cure but it can also kill

**Solstice at Stonewylde** Kit Berry,2011-07-07 Yul stands at the threshold between life and death Poisoned at the festival of the dead his life now hangs by a thread More than his own will to survive it s his fellow Stonewyldeers who must save him But will they when Magus has done so much to undermine Yul and turn the people against him Yet there are cracks in Magus following When he confesses a secret that shocks the community the Stonewylde folk begin to understand his true nature Magus spiral into obsession and darkness continues his kindness and charm now vanished The cruelty that lies beneath is becoming clear as is the deadly web of deceit and betrayal in which Yul and Sylvie are trapped The Winter Solstice approaches and Yul and Sylvie refuse to give up hope But Sylvie is unaware of Magus real plans for her and she s horrified when he finally shows his hand Can this really be why she was brought to Stonewylde As the final conflict draws near how can she avoid Magus trap Yul will need all his strength and all his supporters if he is to make a stand and put an end to what Magus has started As the darkness draws in around them the wise woman on the hill makes a chilling prophecy There is no escape and no compromise when death comes knocking five will die at Stonewylde The only question is who
