Season of the Witch **Typical Girls? The Story of the Slits** Zoë Howe,2009-11-04 Wild defiant and startlingly inventive The Slits were ahead of their time embodying the creative fire of punk music and rebellion like few others Although they created unique hybrids dub reggae and pop punk funk and free jazz they were dismissed as being unable to play Their lyrics were witty and perceptive their debut album challenged perceptions of punk music and female bands and their infamous album cover with the group appearing topless and mud daubed provided as bold a statement as the Sex Pistols Queen Yet the first ladies of punk were destined to be marginalised and disregarded Now forty years on author Zo Street Howe speaks to The Slits themselves to former manager Don Letts mentor and PIL guitarist Phil Levene and many others who swirled within

their cosmos to discover exactly how the Slits phenomenon erupted and to celebrate the legacy of a seminal band long overdue its rightful acclaim Too long seen as a note in the margin of the history of rock The Slits at last get a fair hearing

Weird - The Life And Times Of A Pocket God Mark Christopher Lee,2011-11-21 Weird is the biography of Mark Christopher Lee lead singer and songwriter in cult indie band The Pocket Gods This book charts the highs and lows of being in an unsigned indie band From being discovered by the late John Peel and recording sessions for BBC Radio 1 and Radio 6 to playing gigs to one man and his dog in dubious London pubs It captures the sights sounds and smells of an up and coming indie band It also explores Mark s relationship with the paranormal and the weird unexplainable things that have happened in his rock and roll journey It s like Spinal Tap meets the X Files but with better snacks Mark Whitby from Dandelion Radio has described the book as A tale from the far more interesting backwaters of modern music with Mark and his band fighting to survive within the swirling evolutionary gloop It s Mark s honesty that stands out It reaches out and grabs you by the throat wringing fascinating observations out of every line whether you like them or not *I Shot a Man in Reno* Graeme Thomson,2008-08-15 Uses interviews with such notables as Paul McCartney Mick Jagger Ice T and Richard Thompson to explore the celebration of death and destruction through popular music and includes a list of the forty greatest death records of all time Special Relations Howard Malchow,2011-02-18 A study of Anglo American cultural and countercultural exchange from the mid Fifties to the mid Seventies Special Relations explores aspects of London modernism the anti war movement student rebellion black power the second wave feminist and gay liberation movements and transatlantic nostalgia

Out in Africa Chantal J. Zabus, 2013 Homosexuality was and still is thought to be quintessentially un African Yet in this book Chantal Zabus examines the anthropological cultural and literary representations of male and female same sex desire from early colonial contacts between Europe and Africa in the nineteenth century to the present Covering a broad geographical spectrum from Mali to South Africa and from Senegal to Kenya and adopting a comparative approach encompassing two colonial languages English and French and some African languages Out in Africa charts developments in Sub Saharan African texts and contexts through the work of 7 colonial and some 25 postcolonial writers

Art and Entertainment Andy Hamilton, 2024-02-29 Philosophers have discussed art or artistic practices such as poetry since ancient times But systems of art and entertainment appeared only in the modern era in the West during the 18th and 19th centuries And philosophers have largely neglected the concept of entertainment In this book Andy Hamilton explores art and entertainment from a philosophical standpoint He argues against modernist theory that art and entertainment are not opposites but form a loosely connected conceptual system Against postmodernism however he insists on their vital differences Hamilton begins by questioning the received modernist view examining artist entertainers including Jane Austen

Charles Dickens Louis Armstrong and Billie Holiday Entertainment he argues is by nature audience centred but so is art in a different way Thus while art should pass the test of time entertainment must pass the test of its own time it has to entertain at the time it is produced Art and entertainment are inter dependent concepts and must be understood together with other aesthetic concepts including criticism genius canons and design These concepts form the subject of later chapters of this book where Hamilton develops a meritocratic position that is neither elitist nor populist He also addresses the contemporary charge of cultural appropriation and qualifies it An innovative feature of the book is the inclusion of dialogues with artists critics and academics that help to recast or reformulate the debate Art and Entertainment A Philosophical Exploration is essential reading for those working in art and aesthetics and will also be of interest to those in related disciplines such as cultural studies music and film studies with an interest in entertainment **No Future** Matthew Worley, 2017-09-21 An innovative history of British youth culture during the 1970s and 1980s charting the full spectrum of punk s cultural development **America in the British Imagination** J. Lyons, 2013-12-18 How was American culture disseminated into Britain Why did many British citizens embrace American customs And what picture did they form of American society and politics This engaging and wide ranging history explores these and other questions about the U S s cultural and political influence on British society in the post World War II period
