Maskerade Terry Pratchett, 2013-07 The Opera House is a huge rambling building full of masked figures and hooded shadows and in the wings are the Discworld's greatest witches Granny Weatherwax and Nanny Ogg who fancy a night at the opera But there's trouble ahead *The Intertextuality of Terry Pratchett's Discworld as a Major Challenge for the Translator* Aleksander Rzyman, 2017-01-06 For the translator intertexts are among chief problems posed by the source text Often unmarked typographically direct or altered not necessarily well known and sometimes intersemiotic quotations and references to other writings and culture texts call for erudition and careful handling so that readers of the translation stand a chance of spotting them too For the reader the rich intertextuality of Terry Pratchett's Discworld series is among its trademark features Consequently it should not be missed in translations whose success thus depends significantly on the quality of translation of the intertexts which as is highlighted here cover a vast and varied range of types of original texts The book focuses on how to deal with Pratchett's intertexts how to track them down analyse their role predict obstacles to their effective translation and suggest translation solutions complete with a discussion of the translation of selected intertextual fragments in the Polish version wiat Dysku a concise overview of intertextual theories and an assessment of the translator's work

Maskerade Terry Pratchett, 2009-05-27 There's a kind of magic in masks Masks conceal one face but they reveal another The one that only comes out in darkness The Opera House in Ankh Morpork is home to music theatrics and a harmless masked Ghost who lurks behind the scenes But now a set of mysterious backstage murders may just stop the show Agnes Nitt has left her rural home of Lancre in the hopes of launching a successful singing career in the big city The only problem is she doesn't quite look the part And there are two witches who would much rather she return home to join their coven Granny Weatherwax and Nanny Ogg have travelled to Ankh Morpork to convince Agnes that life as a witch is much better than one on the stage Only now they're caught up in a murder mystery featuring masks and maniacal laughter And the show **MUST** go on A master storyteller A S Byatt Funny delightfully inventive and refuses to lie down in its genre Observer
