Americas Cold War The Politics Of Insecurity:

America's Cold War Campbell Craig, Fredrik Logevall, 2012-03-05 In a brilliant new interpretation Campbell Craig and Fredrik Logevall reexamine the successes and failures of America's Cold War The United States dealt effectively with the threats of Soviet predominance in Europe and of nuclear war in the early years of the conflict But by engineering this policy American leaders successfully paved the way for domestic actors and institutions with a vested interest in the struggle's continuation Long after the USSR had been effectively contained Washington continued to wage a virulent Cold War that entailed a massive arms buildup wars in Korea and Vietnam the support of repressive regimes and counterinsurgencies and a pronounced militarization of American political culture **America's Cold War** Campbell Craig, Fredrik

Logevall, 2020-07-14 In a brilliant new interpretation Campbell Craig and Fredrik Logevall reexamine the successes and failures of America's Cold War This provocative book lays bare the emergence of a political tradition in Washington that feeds on external dangers real or imagined a mindset that inflames U S foreign policy to this day *America's Cold War*, 2009 Printbegrensninger Der kan printes 10 sider ad gangen og max 40 sider pr session **America's Cold War** Campbell Craig, 2009 **America's Cold War** Campbell Craig, Fredrik Logevall, 2009-10-30 The demise of free security Confrontation To the ends of the earth Leaner and meaner The nuclear Rubicon Gulliver's travails Nixon's world A new Cold War Endgame

Charting America's Cold War Waters in East Asia Kuan-Jen Chen, 2024-05-30 A comprehensive assessment of the contours of maritime East Asia and its importance on the world stage *The Cold War* John Lamberton Harper, 2011-05-26 The East West struggle for supremacy from 1945 to 1989 shaped the lives of hundreds of millions and brought the world to the brink of disaster on several occasions More than two decades on the debate over its causes and dynamics is far from over Drawing on the latest archival evidence and scholarly research prize winning historian John Lamberton Harper provides a concise briskly written assessment of the Cold War Why did it start and eventually envelope nearly every corner of the planet Why did it stay cold at least in its original European theatre Why did it end and who should take the credit Harper illuminates the deep seated behavioural patterns within both the Soviet Union and the United States the search for security through expansion and military might the belief in a messianic mission to uplift humanity but also a readiness to live and let live based on membership in a common state system and a shared interest in survival He stresses ways in which internal competitions for political power tilted both the U S and Soviet systems towards bellicosity and obsessive preparation for a hot war that no one seriously intended to begin It is a story of delusions of omnipotence and rash behavior punctuated by moments of redeeming statesmanship and self restraint Harper concludes that rather than triumphalism a clear look back at the Cold War's close calls with catastrophe and enormous cost in lives and treasure ought to evoke a sense of regret and humility as well as relief *America in the World* Frank Costigliola, Michael J.
