Nightmare Japan Jay McRoy, 2008 Over the last two decades Japanese filmmakers have produced some of the most important and innovative works of cinematic horror At once visually arresting philosophically complex and politically charged films by directors like Tsukamoto Shinya Tetsuo The Iron Man 1988 and Tetsuo II Body Hammer 1992 Sato Hisayasu Muscle 1988 and Naked Blood 1995 Kurosawa Kiyoshi Cure 1997 Sance 2000 and Ka ro 2001 Nakata Hideo Ringu 1998 Ringu II 1999 and Dark Water 2002 and Miike Takashi Audition 1999 and Ichi the Killer 2001 continually revisit and redefine the horror genre in both its Japanese and global contexts In the process these and other directors of contemporary Japanese horror film consistently contribute exciting and important new visions from postmodern reworkings of traditional avenging spirit narratives to groundbreaking works of cinematic terror that position depictions of radical or monstrous alterity hybridity as metaphors for larger socio political concerns including shifting gender roles reconsiderations of the importance of the extended family as a social institution and reconceptualisations of the very notion of cultural and national boundaries

Cinema and Painting Angela Dalle Vacche, 1996 The visual image is the common denominator of cinema and painting and indeed many filmmakers have used the imagery of paintings to shape or enrich the meaning of their films In this discerning new approach to cinema studies Angela Dalle Vacche discusses how the use of pictorial sources in film enables eight filmmakers to comment on the interplay between the arts on the dialectic of word and image on the relationship between artistic creativity and sexual difference and on the tension between tradition and modernity Specifically Dalle Vacche explores Jean Luc Godard s iconophobia Pierrot Le Fou and Andrei Tarkovsky s iconophilia Andrei Rublev Kenji Mizoguchi s split allegiances between East and West Five Women around Utamaro Michelangelo Antonioni s melodramatic sensibility Red Desert Eric Rohmer s project to convey interiority through images The Marquise of O F W Murnau s debt to Romantic landscape painting Nosferatu Vincente Minnelli s affinities with American Abstract Expressionism An American in Paris and Alain Cavalier s use of still life and the close up to explore the realms of mysticism and femininity Th r se While addressing issues of influence and intentionality Dalle Vacche concludes that intertextuality is central to an appreciation of the dialogical nature of the filmic medium which in appropriating or rejecting art history defines itself in relation to national traditions and broadly shared visual cultures

Traditions in World Cinema Linda Badley, R. Barton Palmer, Steven Jay Schneider, 2006 The core volume in the Traditions in World Cinema series this book brings together a colourful and wide ranging collection of world cinematic traditions national regional and global all of which are in need of introduction investigation and in some cases critical reassessment Topics include German expressionism Italian neorealism French New Wave British new wave Czech new wave Danish Dogma post Communist cinema Brazilian post Cinema Novo new Argentine cinema pre revolutionary African traditions Israeli persecution films new Iranian cinema Hindi film songs Chinese wenyi Ozu Kathe Geist, 2022-06-28 Based on a close reading of Japanese director Yasujiro Ozu s extant films this book provides insights into the ways the director created narrative structures and used symbolism to construct meaning in his films Against critics

insistence that Ozu was indifferent to plot and unlikely to use symbols Geist demonstrates otherwise revealing the director's subtle iconographic paradigms Her incisive understanding of the historical and cultural context in which the films were conceived amplifies her analysis of the films structure and meaning Ozu A Closer Look guides the reader through Ozu's early silent films and his sound films made during Japan's wars in Asia and the subsequent American Occupation then takes up specific themes relevant to his later better known films These themes include religion gender and the influence of traditional Japanese painting Geist also examines the impact that Ozu's films had on specific directors in Europe America and Japan

Intended for film scholars students and fans of the director this book provides fresh insights into the director's films and new challenges for those who study him Kathe Geist has woven an elegantly textured tapestry in this illuminating survey of Ozu's films and their endless sense of pattern rhythm and cultural renewal Melding form narrative iconography and context the book traces old and new patterns of meaning and critical debate Alastair Phillips University of Warwick author of the BFI Film Classic on Tokyo Story 2022 Ozu A Closer Look provides one of the most comprehensive and meticulous analyses so far on Ozu Yasujiro With her great attention to small textual details along with intertextual and contextual comparisons Geist achieves a significant reinterpretation of the director's work opening up new possibilities in future Ozu studies Woojeong Joo Nagoya University author of The Cinema of Ozu Yasujiro Histories of the Everyday *The Changing Face of Japanese Retail* Louella Matsunaga, 2012-09-10 This book examines employment structure working practice and recruitment strategies in Japanese retail in the 1990s through a case study of one large chain store Issues focused on include gender in the workplace changing notions of corporate community and the impact of Japan's recent recession In particular the research presented here challenges the view of part time female staff as peripheral to the workforce and asks whether a rethink of the Japanese employment system is now overdue **Asian Cinema**, 1996 Japanese Understanding of Salvation Martin Heißwolf, 2018-02-14 It is no secret that Christianity has been widely rejected in Japan with less than two percent of the population identifying as Christian The dominant worldview in Japan is deeply animistic with beliefs such as the Japanese mana concept ki the Japanese soul concept and the concept of God god's kami being deeply rooted in the culture and fundamentally influencing society Dr Martin Heißwolf with his years of experience in Japan critically examines Japanese animism in light of core Christian beliefs such as the concepts of peace and salvation Central to Japanese people's rejection of Christian truth is the diametric opposition of its supernatural message to the natural focus of Japanese animistic folk religion Heißwolf's meticulous study is framed squarely within missiological thought and praxis so Christians serving in Japanese contexts are better able to communicate the message of the gospel by more fully understanding Japanese people people by whom God wants to be known *The Films of Kore-eda Hirokazu* Linda C. Ehrlich, 2019-12-30 The Films of Kore-eda Hirokazu An Elemental Cinema draws readers into the first 13 feature films and 5 of the documentaries of award winning Japanese film director Kore-eda Hirokazu With his recent top prize at the Cannes Film Festival for Shoplifters Kore-eda is

arguably Japan's greatest living director with an international viewership. He approaches difficult subjects: child abandonment, suicide, marginality, with a realistic and compassionate eye. The lyrical tone of the writing of Japanese film scholar Linda C. Ehrlich perfectly complements the understated yet powerful tone of the films. From *An Elemental Cinema*, readers will gain a special understanding of Koreeda's films through a novel connection to the natural elements as reflected in Japanese traditional aesthetics. *An Elemental Cinema* presents Koreeda's oeuvre as a connected whole with overarching thematic concerns despite frequent generic experimentation. It also offers an example of how the poetics of cinema can be practiced in writing as well as on the screen and helps readers understand the films of this contemporary director as works of art that relate to their own lives. Reading a Japanese Film Keiko I. McDonald, 2005-11-30. Reading a Japanese Film, written by a pioneer of Japanese film studies in the United States, provides viewers new to Japanese cinema with the necessary tools to construct a deeper understanding of some of the most critically acclaimed and thoroughly entertaining films ever made. In her introduction, Keiko McDonald presents a historical overview and outlines a unified approach to film analysis. Sixteen readings of films currently available on DVD, with English subtitles, put theory into practice as she considers a wide range of work from familiar classics by Ozu and Kurosawa to the films of a younger generation of directors. [Directory of World Cinema: Japan](#). John Berra, 2010-06-01. From the revered classics of Akira Kurosawa to the modern marvels of Takeshi Kitano, the films that have emerged from Japan represent a national cinema that has gained worldwide admiration and appreciation. *Directory of World Cinema: Japan* provides an insight into the cinema of Japan through reviews of significant titles and case studies of leading directors, alongside explorations of the cultural and industrial origins of key genres. As the inaugural volume of an ambitious series from Intellect documenting world cinema, the directory aims to play a part in moving intelligent scholarly criticism beyond the academy by building a forum for the study of film that relies on a disciplined theoretical base. It takes the form of an A-Z collection of reviews, longer essays, and research resources, accompanied by fifty full-colour film stills highlighting significant films and players. The cinematic lineage of samurai warriors, yakuza enforcers, and atomic monsters takes their place alongside the politically charged works of the Japanese New Wave, making this a truly comprehensive volume.

Japanese Civilization S. N. Eisenstadt, 1996. One of the world's leading social theorists provides a monumental synthesis of Japanese history, religion, culture, and social organization. Equipped with a thorough command of the subject, S. N. Eisenstadt focuses on the non-ideological character of Japanese civilization as well as its infinite capacity to recreate community through an ongoing past.

Directory of World Cinema: Japan 3 John Berra, 2015-01-01. Like its predecessors, *Directory of World Cinema: Japan 3* endeavours to move

scholarly criticism of Japanese film out of the academy and into the hands of cinephiles the world over This volume will be warmly welcomed by those with an interest in Japanese cinema that extends beyond its established names to equally remarkable filmmakers who have yet to receive such rigorous attention Japanese Horror Films and their American Remakes Valerie Wee,2013-10-23 The Ring 2002 Hollywood's remake of the Japanese cult success Ringu 1998 marked the beginning of a significant trend in the late 1990s and early 2000s of American adaptations of Asian horror films This book explores this complex process of adaptation paying particular attention to the various transformations that occur when texts cross cultural boundaries Through close readings of a range of Japanese horror films and their Hollywood remakes this study addresses the social cultural aesthetic and generic features of each national cinema's approach to and representation of horror within the subgenre of the ghost story tracing convergences and divergences in the films narrative trajectories aesthetic style thematic focus and ideological content In comparing contemporary Japanese horror films with their American adaptations this book advances existing studies of both the Japanese and American cinematic traditions by illustrating the ways in which each tradition responds to developments in its social cultural and ideological milieu and examining Japanese horror films and their American remakes through a lens that highlights cross cultural exchange and bilateral influence The book will be of interest to scholars of film media and cultural studies **Introduction to Japanese Horror Film** Colette Balmain,2008-10-14 This book is a major historical and cultural overview of an increasingly popular genre Starting with the cultural phenomenon of Godzilla it explores the evolution of Japanese horror from the 1950s through to contemporary classics of Japanese horror cinema such as Ringu and Ju On The Grudge Divided thematically the book explores key motifs such as the vengeful virgin the demonic child the doomed lovers and the supernatural serial killer situating them within traditional Japanese mythology and folk tales The book also considers the aesthetics of the Japanese horror film and the mechanisms through which horror is expressed at a visceral level through the use of setting lighting music and mise en scene It concludes by considering the impact of Japanese horror on contemporary American cinema by examining the remakes of Ringu Dark Water and Ju On The Grudge The emphasis is on accessibility and whilst the book is primarily marketed towards film and media students it will also be of interest to anyone interested in Japanese horror film cultural mythology and folk tales cinematic aesthetics and film theory
