Christianity and the Culture Machine Vincent F. Rocchio, 2016-08-05 Christianity and the Culture Machine is a precedent shattering approach to combining theories of media and culture with theology In this intensive examination of Christianity's role in the cultural marketplace the author argues that Christianity's inability to effectively contest the ideology of secular humanism is not a theological shortcoming but rather a communications problem the institutional church is too wedded to an outmoded aesthetic of Christianity to communicate effectively Privileging authority and obedience over the egalitarian and transformative goal of Christianity the church fails to recognize how it undermines the vitality of the Christian narrative and message In the absence of a more compelling vision offered by the official church a new aesthetic can be found forming within the margins of popular culture texts Despite its past failures in representing the Bible in mainstream film and television the culture industry now offers more compelling versions of core Christian theology without even realizing it within the margins of the main storylines This book analyzes the aesthetic principles employed by these appropriations and articulations of Christian discourse as a means of theorizing what a new aesthetic of Christianity might look like

BETRAYED (LOVE, LUST.....LOST) Kiran Shirly, 2021-11-20 BETRAYED LOVE LUST LOST I have a question for all my lovely READERS We know how to hurt people so easily but at the same time do we have the power to heal it with love Well I'll leave it up to you Love is something that can't be expressed in words it's the feeling where we can only show to whom we love There is no true or fake love or anything else Love itself is pure and eternal where we are making it polluted completely by our awful desires We people who have not just changed the meaning of it but we have completely wiped out its identity It makes me feel pity because we are propelling ourselves for our destruction Without Love without that bond no one can survive and the whole world will be like chaos This

book is truly inspired by the events that happened in and around me were taken as motivation I think everything happens for a reason but we need to make our life more meaningful by writing our destiny Love is not painful until you make it miserable
