

# Learning Guide for *Counterpoints: Exploring Canadian Issues*

## Notes to Teacher

### REQUIRED RESOURCES:

The Learning Guide employs the textbook *Counterpoints: Exploring Canadian Issues*, written by M. Cranney and G. Moles and published by Prentice Hall. (ISBN 0-13-088877-X).

### ORGANIZATION:

The Learning Guide is divided into five units. The first four are based on the *Counterpoints: Exploring Canadian Issues* textbook. The fifth unit makes use of sample Social Studies 11 exams.

**Unit 1** consists of **eight sections** that lead students through an examination of the historical events in Canada's history from 1896 through 2000. These sections are based on Chapters 1 – 8 of the *Counterpoints* text. Each section includes: a **reading guide** that covers the material in one of the eight chapters in the unit; a short **quiz** that reviews the key vocabulary and significant individuals or events of the chapter; and a short **essay** assignment.

**Unit 2** consists of **four sections** that lead students through an examination of law and government in Canada. These sections are based on Chapters 9 – 12 of the *Counterpoints* text. Each section includes: a **reading guide** that covers the material in one of the four chapters in the unit; a short **quiz** that reviews the key vocabulary and significant individuals or events of the chapter; and a short **essay** assignment.

**Unit 3** consists of **six sections** that lead students through an examination of population issues around the world and their implications for Canada and Canadians. These sections are based on Chapters 13 - 18 of the *Counterpoints* text. Each section includes: a **reading guide** that covers the material in one of the six chapters in the unit; a short **quiz** that reviews the key vocabulary and significant individuals or events of the chapter; and a short **essay** assignment.

**Unit 4** consists of writing **three essays** based on the themes explored in Units 1 – 3 of the Learning Guide and the *Counterpoints* text. Teachers should encourage their students to attempt these essays – especially if students have not been required to write many of the section essays – as they complete the relevant units. As is the case with the section essays, a scoring rubric is provided for use by students and teachers. It is based on the 6 point scale used for marking essay questions in the BC Ministry of Education's Social Studies 11 exam. Students should be given a copy of this rubric and instructed in its use; it is hoped that if students have a clear understanding of how their writing is being assessed, they will be better able to address those attributes when composing their essays.
