Pluralism Faris Abdel-hadi, 2024-12-20 This book marks a significant contribution to the debate around Ibn Arab s religious pluralism focusing on his multifaceted approach to non Abrahamic religions For nearly eight hundred years the writings and ideas of the great Spanish Sufi master Ibn Arab have shaped Islamic intellectual and spiritual culture from North and West Africa and France on the one hand to Iran the Levant Central Asia and the Far East on the other Modern scholarship on the Greatest Master is consequently at an all time high This book weighs in on a well known aspect of his religious worldview namely his perspective on religious pluralism but does so from an entirely different angle Offering a very close reading of his

major works newly translated by the author and paying particular attention to a highly developed celestial metaphor prompted by his encounter with a group of pagan sun worshippers the book offers new insights into the nature and scope of Ibn Arab's understanding of Islamic inclusivism Ultimately the book contributes to our understanding of both interfaith dialogue and the history of world religions through the prism of Ibn Arab's work The book will be of particular interest to students and scholars working in a range of fields including Islamic philosophy Sufism and intellectual history
