Gathering Together Rodney Wallace Kennedy, Derek C. Hatch, 2013-08-27 Concerned to think intentionally about liturgy in Baptist life and thought this book aims to address the practices of Christian worship in a theological light examining how each brings individual Christian believers and communities of faith to a greater understanding and embodiment of the gospel In this mode worship becomes a seamless garment that forms disciples of Christ and opens out toward the world In short theology worship and mission all intersect in the liturgical life of the body of Christ In addition to theological engagement with liturgical practices *Gathering Together* links reflection to praxis by offering sample patterns as a guide for reenvisioning the shape of Baptist and other free church worship **Using Evangelical Lutheran Worship** Gail Ramshaw, 2013-09-26 This title explores why Christians have different ways of looking at time at how the life of the church is ordered and organized by days weeks seasons and years It provides detailed information about Sundays and festivals the lectionary and propers seasons and commemorations as well as guidance about leading the church s services of daily prayer Includes unique indexes to Evangelical Lutheran Worship contents *New Proclamation Commentary on Feasts, Holy Days, and Other Celebrations* Bill Doggett, Gordon W. Lathrop, 2007 *New Proclamation Commentary on Feasts Holy Days and Other Celebrations* continues the tradition of excellent biblical commentary that users of the seasonal *New Proclamation* volumes have come to expect This volume offers essential historical background about each of thirty five so called lesser feasts and places each day into the context of the church year Quotes related to the festival day from prayers liturgies and other sources have been included to help enliven the sermon and enhance worship along with other guidance for preaching Commentary and recommended texts for ten national days and nonliturgical celebrations are also included **Introduction to Christian Liturgy** Frank C. Senn, 2012 Designed as a general introduction to Christian liturgy this book explores the meaning history and practice of worship in Eastern and Western Catholic and Protestant traditions Its chapters cover the theology of worship the historical development of Eucharist and the Prayer Offices the lectionary and customs of the church year other sacramental rites and the use of music and the arts As such it is a perfect textbook for students seeking to understand the basics of liturgical worship as well as a reliable guide for worship leaders *Liturgy and Byzantinization in Jerusalem* Daniel Galadza, 2018 This book examines the way Christians in Jerusalem prayed and how their prayer changed in the face of foreign invasions and the destruction of their places of worship **Images of Baptism** Maxwell E. Johnson, 2001 Ever since the widespread and ecumenical renewal of Christian initiation was begun by the publication of the *Rite of Christian Initiation of Adults* both Catholic and Protestant ministers and scholars of initiation have for good theological reasons focused on the connection between Easter especially the Easter Vigil and Christian initiation But even if Easter is the center the baptismal tradition of the church is much richer than this In this book Maxwell Johnson offers catechists parishes liturgists pastors religious educators and all who are involved in the church s baptismal ministries a study of some of the key baptismal images

and metaphors that scripture and the church's great liturgical traditions hand on to us from back cover **As Often As You Eat This Bread** Gregory David Soderberg, 2022-11-14 Why can't Christians agree about communion? Why is it that in some churches all worship services culminate in a holy meal whereas other churches celebrate this holy supper only once in a while? Theologian Gregory Soderberg has researched this question excavating patterns of communion frequency within one of the bigger Christian families, the Reformed tradition. Despite being the sacrament of unity, the eucharist has often been a cause of strife in Christian churches. In his study, Gregory David Soderberg is the first to focus in depth on communion frequency in the Reformed tradition. He concludes that although the 16th-century Reformers desired more frequent communion, this was balanced by their desire to create mature Christian communities. So preachers and church leaders stressed the priority of moral conduct and the importance of understanding what the eucharist meant for Protestants. The study analyses sources from the very beginnings of this tradition in 16th-century Zurich and Geneva and it follows its trajectories through England and Scotland all the way down to 19th-century USA. Ultimately, it is hoped that understanding the polemics of the past will help churches today to celebrate the sacrament of unity more meaningfully. **Saints, Sanctity, Liturgy** Mark M. Morozowich, 2006 It's About Time Brook A. Thelander, 2023-06-20 This book explores common challenges and joys in the life of faith by means of a guided tour through the seasons of the church year. Issues such as complacency, despair, unanswered prayer, evil, suffering, discerning God's will, adversity, achieving inner peace, and more are explored from the pastoral perspective of a shepherd's heart. Those new to the church year will discover its blessings and benefits, while those more familiar with its rhythms will gain a deeper appreciation of its formative power. Readers are invited on a journey of discovery where following Christ assumes a concrete shape in the midst of life's practical concerns, all within a thoroughly biblical framework. Sacraments and Worship Maxwell E. Johnson, 2012-02-15 The church's development and use of sacraments has evolved in many ways from the days of the early church to the present. This sourcebook provides key theological texts that played a role in those movements. Johnson traces the history and theology of individual sacraments along with their liturgical context in the church's worship. He includes materials previously developed in James F. White's classic collection *Documents of Christian Worship: Descriptive and Interpretive Sources* (Westminster John Knox Press, 1992) and supplements these to provide a wide range of indispensable materials. He also contributes helpful background notes to give the reader the full breadth and depth of the church's thought on these important topics. This book will be of great value to those studying the history of Christian worship and the development of the sacraments. Praying Shapes Believing Leonel L. Mitchell, 2016-08 2015 marks the 30th anniversary of Lee Mitchell's great standard work on the 1979 *Book of Common Prayer*. As his student protégé and colleague Ruth Meyers takes this classic work and updates it for the Church in its current era and for the future. **Hearing the Scriptures** Eugen J. Pentiuc, 2021 Throughout the ages, interpreters of the Christian scriptures have been wonderfully creative in seeking to understand and bring out the wonders of these ancient

writings That creativity has often been overlooked by recent scholarship concentrated as it is in the so called critical period In this study Eugen J Pentiuć illuminates the remarkable way in which the Byzantine hymnographers liturgists expressed their understanding of the Old Testament in their compositions an interpretive process that he terms liturgical exegesis In authorship and methodology patristic exegesis and liturgical exegesis are closely related Patristic exegesis however is primarily linear and sequential proceeding verse by verse while liturgical exegesis offers a more imaginative and eclectic mode of interpretation ranging over various parts of the Bible In this respect says Pentiuć liturgical exegesis resembles cubist art To illuminate the multi faceted creativity of liturgical exegesis Pentiuć has chosen the vast and rich hymnography of Byzantine Orthodox Holy Week as a case study offering a detailed lexical biblical and theological analysis of selected hymns His analysis reveals the many different and imaginative ways in which creative liturgists incorporated and interpreted scriptural material in these hymns By drawing attention to the way in which the bible is used by Byzantine hymnographers in the living Orthodox tradition Hearing the Scriptures makes a ground breaking contribution to the history of the reception of the scriptures

The Lion Led the Way Dwight Hutchison,2021-07-07 Was there a meaningful stellar sign over Bethlehem What did it look like to someone looking up at the night sky Did wise men really come from the East seeking Israel's Messiah sometime after the birth of Jesus The biblical account of the wise men and the star that announced the coming of the Messiah of Israel has inspired and puzzled people for two millennia Important aspects of Babylonian astronomy seem to be involved in understanding the star's appearing But in addition The Lion Led the Way also explores the men and events from a profoundly Jewish perspective The traditional Jewish names of stars and planets Jewish symbols as well as Jewish dates all seem to be keys to unlocking the mystery of the famous star The star of Bethlehem was not the brightest of the heavenly lights nor was it the most spectacular starry manifestation of all time However it was part of the most meaningful set of celestial events in human history The God of Israel is surprising His ways are not our ways his thoughts are not our thoughts The star gives us a concrete example of God's intervention in the universe Book website www.starofbethlehem.info

MUL.BABBAR: The Messiah's Star Dwight Reed Hutchison,2024-07-19 Was there a star announcing the coming of the Jewish Messiah at the end of the first millennium BC Did wise men come from the east seeking the newly born king of the Jews How can one be sure MUL BABBAR The Messiah's Star approaches the Star of Bethlehem from a Jewish and Babylonian perspective Babylonian astronomy and royal symbolism seem to give clues about the star However the royal celestial signs related to the coming of the Messiah are also connected directly to Judaism and the Bible The Messiah's star announced the coming of a great king The Greatest of Kings destined to rule the world This book is an updated improved and expanded version of The Lion Led the Way by the same author

Pre-Nicene Christology in Paschal Contexts Dragoş Giulea, 2013-11-01 In *Pre Nicene Christology in Paschal Contexts* Drago A Giulea re examines the earliest texts related to the festival of Easter in light of Second Temple traditions Commonly portrayed as sacrificial lamb the key actor of the paschal narrative is here designated as heavenly Kabod Divine Image King of the Powers celestial Anthropos Demiurge Son of Man each of these divine names implying a corresponding soteriological function Drago A Giulea indicates as well that the Greek philosophical vocabulary and certain idioms of the mystery religions inspired new categories which reshaped the traditional way of describing the nature of celestial entities and the epistemological capacities able to access

these realities Thus the King of the Powers or the Son of Man is several times described as a noetic Anthropos while initiation and noetic perception become the appropriate methods of accessing the divine
