

HERBERT FEIS

Between War and Peace

The Potsdam Conference

PRINCETON LEGACY LIBRARY

Between Peace Princeton Legacy Library

Frank Ejby Poulsen

Between Peace Princeton Legacy Library:

Between War and Peace Herbert Feis, 2015-12-08 The author brings to life more clearly than ever before the moment of triumph and the intricate web of negotiations preceding the Potsdam Conference in that period between victory and cold war His account of the Conference itself recreating the feelings of tension the personalities of the leaders the steady pressures of the Russians is likely to remain the standard reference One sees Truman still uncomfortable in office but determined to get matters settled quickly There is Churchill the master of eloquence and maneuver suddenly replaced by Attlee in the midst of negotiations And there is Stalin always suspicious always pushing for expansion *Between War and Peace* shows these leaders trying to evaluate the atomic bomb Truman hopeful Churchill enthusiastic Stalin apparently uninterested and noncommittal Originally published in 1960 The Princeton Legacy Library uses the latest print on demand technology to again make available previously out of print books from the distinguished backlist of Princeton University Press These editions preserve the original texts of these important books while presenting them in durable paperback and hardcover editions The goal of the Princeton Legacy Library is to vastly increase access to the rich scholarly heritage found in the thousands of books published by Princeton University Press since its founding in 1905

The Papal Arts of Peace and Civilization Maxim Baz, 2025-03-17 The twentieth century saw a transformation in the Catholic Church's approach to war and peace as the papacy sought to adopt and propose alternatives to traditional Just War doctrine by developing contemporary policies to peacefully resolve both the symptoms and root causes of war This book explores the emergence of a new ethical framework built upon three distinct moral doctrines coined here as AMP War Avoidance for when war is imminent War Mitigation for when war is unavoidable and Preventive Pacification during periods of relative stability This book examines the shaping of the AMP paradigm from Leo XIII to John Paul II analyzing its theological philosophical and legal underpinnings While AMP coexists alongside Just War doctrine the latter provides a framework for judging the morality of war the former addresses the preemption mitigation and prevention of conflict The book argues that AMP gradually became the primary framework for the Holy See's foreign policy with the potential to further become a crucial ethical guide for the twenty first century's pursuit of more just and peaceful international relations

The Global Challenge of Peace Matt Perry, 2021-08-15 This book scrutinizes the events of 1919 from below the global underside of the Wilsonian moment During 1919 the Great Powers redrew the map of the world with the Treaties of Paris and established the League of Nations intending to prevent future war Yet what is often missed is that 1919 was a complex threshold between war and peace contested on a global scale This process began prior to war's end with mutinies labour and consumer unrest colonial revolt but reached a high point in 1919 Most obviously the Russian Revolutions of 1917 continued into 1919 which signalled a decisive year for the Bolshevik regime While the leaders of the Great Powers famously drew up new states in their Parisian hotel rooms state formation also had a popular dynamic The Irish Republic was declared Afghanistan gained independence Labour unrest was widespread This year

witnessed the emergence of anti colonial insurgency and movements across Europe s colonies in metropolitan centres of Empire race riots took place in the UK and during the red summer in the US anti colonial movements as well as an important moment of political enfranchisement for women but their expulsion from the wartime labour force 1919 has many legacies the first Arab spring with the awakening of nationalism in the Wilsonian and Bolshevik context the moment as a consequence of Jallianwala Bagh that Britain definitively lost its moral claim to India the definitive announcement of Black presence in the UK the great reversal of women s participation in the skilled occupations the first Fascist movement was founded

Making Peace Susan Kingsley Kent,2019-01-15 Making Peace provides a fresh context for understanding gender relations in interwar Britain seeing in the emergence of a powerful ideology of motherhood and a reemphasis on separate spheres for men and women a corollary to the political and economic restructuring designed to reestablish social order after World War I The war had often been explained and justified to the British public by means of images that portrayed women as hostile or frightening or as victims of sexual assault as in the Belgian atrocity stories These sexualized interpretations of war then shaped postwar understandings of gender as psychiatrists psychologists and sexologists drew on metaphors of war to talk about relationships between men and women likening any conflict between the sexes to the terrible chaos of the war years Drawing on materials from posters to popular songs from government reports to journalistic accounts from memoirs and novels to diaries and letters Making Peace is a penetrating analysis of how gendered and sexualized depictions of wartime expereinces compelled many Britons to seek in traditional gender arrangements the key to postwar order and security In the interwar period many feminists compromised their earlier positions in an effort to contribute to postwar recovery and justified their demands for birth control and family endowment for example in conservative terms that ultimately hampered their movement Susan Kingsley Kent is Associate Professor of History at the University of Colorado at Boulder She is also the author of Sex and Suffrage in Britain 1860 1914 Princeton Originally published in 1993 The Princeton Legacy Library uses the latest print on demand technology to again make available previously out of print books from the distinguished backlist of Princeton University Press These editions preserve the original texts of these important books while presenting them in durable paperback and hardcover editions The goal of the Princeton Legacy Library is to vastly increase access to the rich scholarly heritage found in the thousands of books published by Princeton University Press since its founding in 1905

Understanding International Diplomacy Corneliu Bjola,Markus Kornprobst,2025-07-31 This textbook provides a comprehensive introduction to the study of international diplomacy covering both theory and practice The third edition has been updated and revised with new chapters on the digital turn contemporary crises and power shifts in modern diplomacy By integrating historical traditions from Europe China and the Middle East with modern diplomatic challenges this book Traces the evolution of diplomacy from its historical foundations to its modern institutionalised form examining how shifting power dynamics technological revolutions and geopolitical crises have shaped its trajectory Examines

theoretical perspectives on diplomacy as a communicative practice exploring how diplomats interpret and project power negotiate international norms and sustain diplomatic agency in an increasingly fragmented world order Analyses diplomacy in the digital age investigating how new technologies social media and artificial intelligence reshape diplomatic interactions redefine state and non state engagement and challenge traditional diplomatic norms in a rapidly evolving global information environment This new edition offers an up to date accessible and authoritative overview of how diplomacy works and indeed ought to work in a globalised world It will be essential reading for students of international diplomacy and is highly recommended for students of crisis negotiation international organisations foreign policy and international relations

Constructing Oman's Peaceful Identity Giulia Daga, 2024-08-27 This book offers a comprehensive and insightful exploration of Oman's discourses on foreign policy and national identity in the context of the Middle East The Sultanate of Oman is often hailed as a peaceful exception in the region but this work goes beyond surface level observations to reveal the intricate complexities of Oman's foreign policy and identity construction With a keen focus on deconstructing essentialist understandings the chapters delve into how discursive alignments and identity contents have shaped the government's quest for legitimacy recognition and status Employing a pioneering discourse historical approach to compare the National Day speeches and UN General Assembly speeches throughout Sultan Qaboos bin Said Al Bu Saidi's reign 1970-2020 the author reveals how discourse evolved based on time issues and audiences Notably the book situates Oman within the context of the Gulf Cooperation Council states examining how the Omani government's interlinked discourses on identity and foreign policy contributed to differentiate the Sultanate from other Gulf countries With chapters exploring Oman's foreign policy principles its material and ideological response to the ideas linked to the Dhofar Revolution and its interactions with the Arab world and the international community readers of this book will gain a comprehensive understanding of Oman's evolving national and supranational identifications and the dynamic nature of its foreign policy Challenging prevailing narratives while providing a fresh perspective on the relations between Oman's foreign policy and identity construction this book marks an important text for scholars as well as policymakers and anyone interested in understanding the intricate dynamics of Oman's role in the global stage

The Routledge Handbook of African Demography Clifford O. Odimegwu, Yemi Adewoyin, 2022-02-07

This handbook provides an authoritative and comprehensive overview of African population dynamics variations causes and consequences demonstrating the real world applications of research in policies and programmes African demography has come of age Over 50 years the discipline has grown exponentially in the number of training and research institutions specialist experts and academic output all with an aim of addressing the enormous demographic challenges faced by the continent The book draws on old and emerging analytical tools to explore the relationships between population dynamics and social economic cultural and political environments from African perspectives Key topics include fertility sexual behaviours healthcare ageing mortality migration displacement the causes and consequences of demographic changes and teaching and

research developments in African demography The Routledge Handbook of African Demography will be an essential resource for students and researchers of African demography sociology development and cultural studies

The Political Thought of Anacharsis Cloots Frank Ejby Poulsen,2023-11-06 Historians have often either ignored Anacharsis Cloots 1755 1794 or considered him deranged because he claimed to be the orator of the human race and devised a universal republic based on the sovereignty of the human race This book is the first comprehensive study of the entire body of Cloots s written works and political actions By contextualizing them the book non only rehabilitates Cloots as a political thinker worthy of consideration but also argues that his political thought constitutes a specific branch of republicanism in the age of Atlantic revolutions cosmopolitan republicanism The introduction suggests how 18th century French cosmopolitanism was a new philosophical tradition but was composed of several themes which the book then analyses in Cloots s writings The first chapter provides a brief overview of his life The second chapter explains why he called himself orator and wrote pamphlets and why contemporary readers should not discard this as non philosophical Having established Cloots s writings as constituting a philosophical system the following chapters explores it through the themes laid out in the introduction First the concept of reason and his understanding of science Second the paradigm of natural law and the role of nature in moral and political thought Third the conception of humanity and individuals in nature and society Finally republicanism and its principles The last chapter summarizes the elements of Cloots s cosmopolitan republicanism and opens a research programme to other political thinkers in the age of Atlantic revolutions for historians and political theorists

Holistic Bioethics Jude Thaddaeus Buyondo,2024-10-31 In pursuing a holistic bioethics while dialoguing with different sciences appreciation of moral affinities between human and nonhuman entities Dr Buyondo argues for a minimum moral status for nonhuman entities The minimum normative basics of approaches to biomedical ethics are at the very least not distinctive to either human animals or nonhuman animals only The investigation builds further on the African understanding of life where no creation is lifeless In establishing a more inclusive functional bioethics the African approach goes further than biocentrism ecocentrism and holism to ground an inclusive African holistic moral egalitarianism suggesting that all forces and all created things have life We are not emphasizing how every system and creature command equal respect rather everything has life commands respect and moral concern as a minimum imperative within a Black African holistic approach to bioethics However holistic bioethics can neither be Western nor an African invention that people of other cultures only admire from a distance Moreover holistic bioethics doesn t offer the last word on the ethics of nonhuman animals holistic anamnestic solidarity the relational Other and intercultural theological bioethics

From War to Peace Paul Vincent Spade,2000-01-01 In this collection a dozen scholars of international affairs consider the 20th century s recurring failure to construct a peaceful and stable international order in the wake of war They reflect on the difficulties faced by governments as they sought to secure a world order

The Ukraine Crisis and EU Foreign Policy Roles Chaban, Natalia,Elgström, Ole,2021-07-31 This

book examines how within foreign policy perceptions are a reflection of an actor's conception of status credibility and legitimacy within the context of EU-Ukraine relations and the Ukraine crisis

The United States Institute of Peace Journal, 1991

Wars of Revelation Rebecca Lissner, 2021 Rich in historical detail and theoretical insight *Wars of Revelation* explains why the United States military interventions have repeatedly transformed its global role and what that means for the future of American grand strategy More than seventy-five years since the end of World War II military interventions rather than major wars have emerged as a defining feature of contemporary geopolitics Yet for all the fierce policy debates over interventions and their lessons scholars have largely ignored the systematic linkages between these smaller-scale wars and transformations in the grand strategies of states that prosecute them In *Wars of Revelation* Rebecca Lissner explains why military interventions can be crucibles of grand strategy testing strategic axioms on the battlefield and prompting combatant states to reconceive their global roles Through detailed historical case studies of US involvement in the Korean, Vietnam, and Persian Gulf Wars Lissner shows how each intervention generated searing insights into the capabilities and intentions of America's international adversaries as well as the potential and limits of its own national power By focusing on these three wars of revelation Lissner presents a fresh perspective on the origins and evolutions of US grand strategy from the dawn of the Cold War to its twilight Persuasively argued and historically illuminating *Wars of Revelation* is essential reading for anyone who crafts studies or follows international security policy

"Ye Shall Know Them by Their Fruits" Jason García Portilla, 2021-12-11 Why are historically Catholic countries and regions generally more corrupt and less competitive than historically Protestant ones How has institutionalization of religion influenced the prosperity of countries in Europe and the Americas This open access book addresses these critical questions by elucidating the hegemonic and emancipatory religious factors leading to these dissimilarities between countries The book features up-to-date mixed methods from interdisciplinary research contributing to existing studies in the sociology of religion field by demonstrating for the first time the effect of the mutually reinforcing configuration of multiple prosperity triggers religion politics environment It demonstrates the differences in the institutionalization of Roman Catholicism and Protestantism by applying quantitative and qualitative methods and by performing a qualitative comparative analysis (QCA) of 65 countries The author also provides a comprehensive survey and results of empirical research on different theories of development focusing on the influence of religion

Choreography of the Poem Richard Andrews, 2025-09-30 This book explores analogies and correspondences between dance and poetry with an emphasis on how dance and dance choreography can shed light on poetry poetic form and the teaching of poetry Chronologically the book examines the Renaissance-Baroque period in Europe and moves through early modern to contemporary poetry and dance Internationally it explores Asian, African, and American dance choreographies and poetry alongside European as well as hybrid influences of the different traditions on each other It argues that the poem on the page and in spoken performance inhabits space within frameworks of expectation *Choreography of the*

Poem accesses interest from the perspectives of each of the modes of communication physical movement in dance and spoken and written communication in poetry It reveals what dance choreography can bring to an understanding and appreciation of the making of poetry in schools colleges and universities **Japan Rearmed** Sheila A. Smith,2019-04-08 Japan's U S imposed postwar constitution renounced the use of offensive military force but as Sheila Smith shows a nuclear North Korea and an increasingly assertive China have the Japanese rethinking that commitment and their reliance on United States security Japan has one of Asia's most technologically advanced militaries and yet struggles to use its hard power as an instrument of national policy The horrors of World War II continue to haunt policymakers in Tokyo while China and South Korea remain wary of any military ambitions Japan may entertain Yet a fundamental shift in East Asian geopolitics has forced Japan to rethink the commitment to pacifism it made during the U S occupation It has increasingly flexed its muscles deploying troops under UN auspices participating in coercive sanctions augmenting surveillance capabilities and raising defense budgets Article Nine of Japan's constitution drafted by U S authorities in 1946 claims that the Japanese people forever renounce the use of force as a means of settling international disputes When Prime Minister Shinzo Abe broke this taboo by advocating revision of Article Nine public outcry was surprisingly muted The military once feared as a security liability now appears to be an indispensable asset called upon with increasing frequency and given a seat at the policymaking table In *Japan Rearmed* Sheila Smith argues that Japan is not only responding to increasing threats from North Korean missiles and Chinese maritime activities but also reevaluating its dependence on the United States No longer convinced that they can rely on Americans to defend Japan Tokyo's political leaders are now confronting the possibility that they may need to prepare the nation's military for war **Motivation in War** Ilya Berkovich,2017-02-02 Explains the motivation of ordinary soldiers to enlist serve and fight in the armies of eighteenth century Europe **Pacifism** Robert L. Holmes,2016-12-15 In a world riven with conflict violence and war this book proposes a philosophical defense of pacifism It argues that there is a moral presumption against war and unless that presumption is defeated war is unjustified Leading philosopher of non violence Robert Holmes contends that neither just war theory nor the rationales for recent wars Vietnam the Gulf War the Iraq and Afghanistan Wars defeat that presumption hence that war in the modern world is morally unjustified A detailed comprehensive and elegantly argued text which guides both students and scholars through the main debates Just War Theory and double effect to name a few clearly but without oversimplifying the complexities of the issues or historical examples *The Making and Re-Making of Public Law* Jason NE Varuhas,Sarah Fulham-McQuillan,Eoin Carolan,2025-04-17 This volume originates from the fourth Public Law Conference held in Dublin in 2022 Leading scholars and judges from across the common law world presented papers on the making and re making of public law across country studies historical studies and studies of contemporary and future issues The book has three broad categories of contribution country studies which consider the evolution of public law within a particular jurisdictional context historical studies which shed light on the

foundations of public law and studies of contemporary and future issues namely populism COVID 19 protection of Indigenous peoples and the public private divide **Maps for Men** Edgell Franklin Pyles, PhD, 2016-05-31 MAPS for Men is a must have resource for any and every family business Dave Ramsey Nationally syndicated radio show host New York Times best selling author MAPS for Men is a wonderful book full of superb insight and information Paul Schorr III Past President Chief Executives Organization I read MAPS for Men today I should say that I devoured it very interesting and helpful model for all of life Paul Schorr IV Chip Founder Chairman Augusta Columbia Capital MAPS for Men is a gift to all fathers and sons James Jay E Hughes Jr Author Family Wealth Keeping It in the Family MAPS for Men is one of the most comprehensive guides to families in business that I have ever seen Charles S Luck IV CEO Luck Companies Founder InnerWill The transition of wealth concepts described in MAPS are immensely dynamic relevant and applicable It is a must read for all entrepreneurs Cordia Harrington Founder CEO The Tennessee Bun Company What a wonderful piece of work I found each chapter and the whole book incredibly meaningful Dennis Jaffe PhD Author Working With the Ones You Love Creating A Successful Family Business Stewardship in Your Family Enterprise Past President Association of Humanistic Psychology The guidelines in MAPS will bear fruit for many years and generations to come David Hardie Founder and CEO Hallador Management LLC Edgell and Thomas have created a book that will impact families for generations Dennis Passis President Family Wealth Library MAPS is truly a masterpiece Jim Chaffin President Chaffin Light Management Company Past Chairman Urban Land Institute Past Member Board of Managers University of Virginia If you are a woman who wants to understand men better MAPS is all you need to know Morgan Wandell Head of Drama Series Amazon Studios

Unveiling the Power of Verbal Art: An Emotional Sojourn through **Between Peace Princeton Legacy Library**

In some sort of inundated with monitors and the cacophony of immediate connection, the profound power and emotional resonance of verbal art often diminish in to obscurity, eclipsed by the constant assault of sound and distractions. However, situated within the musical pages of **Between Peace Princeton Legacy Library**, a fascinating function of fictional splendor that impulses with raw thoughts, lies an wonderful trip waiting to be embarked upon. Published by way of a virtuoso wordsmith, that mesmerizing opus manuals readers on an emotional odyssey, lightly revealing the latent potential and profound influence embedded within the elaborate internet of language. Within the heart-wrenching expanse with this evocative evaluation, we shall embark upon an introspective exploration of the book is central subjects, dissect its fascinating writing style, and immerse ourselves in the indelible impression it leaves upon the depths of readers souls.
