The Value of the Particular: Lessons from Judaism and the Modern Jewish Experience Michael Zank, Ingrid Anderson, 2015-04-14 In this tribute to Steven T Katz on the occasion of his seventieth birthday Michael Zank and Ingrid Anderson present sixteen original essays written by senior and junior scholars in comparative religion philosophy of religion modern Judaism and theology after the Holocaust fields of inquiry where Steven Katz made major contributions over the course of his distinguished scholarly career The authors of this volume specialists in Jewish history especially the modern experience and Jewish thought from the Bible to Buber offer theoretical and practical observations on the value of the particular Contributions range from Tim Knepper s reevaluation of the ineffability discourse to the particulars of the Settlement Cookbook examined by Nora Rubel as an American classic Gastronomic Judaism as Culinary Midrash Jonathan D. Brumberg-Kraus, 2018-10-29 This book is about what makes food Jewish or better who and how one makes food Jewish Making food Jewish is to negotiate between the local regional and now global foods available to eat and the portable Jewish taste preferences Jews have inherited from their sacred texts and calendars What makes Jewish food Jewish and what makes Jewish eating practices continually viable and meaningful are not fixed dietary rules and norms but rather culinary interpretations and adaptations of them to new times and places culinary midrash Jewish cuisine is a fusion of interactions a reflection of displacement and intentional positioning and re positioning vis a vis sacred texts old and new lands Jewish and non Jewish neighbors old and new family combinations re imaginings of our personal ethnic gender and other identities Jonathan Brumberg Kraus questions Jewish identity in particular and identity generally as something fixed stable and singular and unintentional Jewish food choices are situational often temporary expressions of Jewish identity It addresses the

tension between what Jewish authoritative textual sources and their proponents say is Jewish food and Jewish eating and what Jews actually eat So while discussing connections between ancient religious texts and modern Jewish food preferences this book does not stop there Using examples from his experience Brumberg Kraus describes the improvisational characteristics of gastronomic Judaism as the interplay of texts tastes artifacts and everyday practices not only in the classic sacred texts but also in Jewish cookbooks and internet blogs on Jewish home cooking seasonal intensification of Jewish food choices e g latkes at Chanukah or keeping kosher for Passover safe treif the fusion cultural appropriation of diasporic Biblical and Palestinian foods in new Israeli cuisine and the impact of the environmentalist New Jewish Food movement on contemporary Jewish food choices and identity
