spirituality as an alternative to materialistic culture They need some spiritual hooks or skyhooks to cling upon to justify their decisions The slokas provide the ground on which spiritual thoughts can propel and proliferate For those who cannot read Devanagari script an English version of the sloka in I Trance format is provided This book is highly useful for practicing managers leadership coaches mentors and the CEOs Though the title of the book refers managerial insights the book includes psychological sociological and human centric perspectives of the business environment *Library Journal* ,1988
