school training programs and courses *Beyond Entitlement* Lawrence M. Mead, 2008-06-30 Mead's timely and closely reasoned analysis makes a strong intellectual and moral case for a more authoritative welfare policy **Obedience and Beyond** Andrew Picklyk, 2016-06-16 Obedience has always been considered a key aspect of faith obedience to the word and will of God If we do not do what is asked of us and avoid doing what is prohibited how can we say we truly follow His teachings How can we claim to believe in His wisdom and guidance And yet when one looks more deeply into His teachings scripture makes it clear that obedience is not enough It is simply the starting point in our journey a journey that will lead us to God and to becoming leaders in His sight To blindly do as we are told is a beginning but until we step into the kingship Jesus bought for us with his sacrifice at Calvary we have not truly earned the place God has reserved for us in His kingdom Christ asks us to follow Him until we learn to walk with Him until we learn to lead with a servant's heart But to do that we must look beyond what is easy or what is obvious We must do more than obey We must be more than servants following instructions Instead we need to think for ourselves and act for ourselves in accordance with his teachings In *Obedience and Beyond* his first published book Andrew Picklyk uses scriptures parables and personalized sermons to clearly illustrate exactly what is expected of us and how we can move beyond servitude and into the kingship God has intended for us
