,2024-08-05 This volume explores twelve house museums created over more than two centuries and founded across the globe
What motivates collectors to establish independent house museums instead of donating their collections to preexisting
institutions How have collectors original intentions manifested themselves in their museums Have founder mandates aided
the survival or caused the demise of their institutions How have house museums collections or buildings evolved over time
Must museums reinterpret their collections to remain relevant to contemporary and diverse audiences In seeking to answer
these questions the volume s authors share the unique stories behind the creation and evolution of these fascinating
institutions and the intriguing stories of the exceptional individuals who founded them Contributors Aist Bimbiryt Eliza Butler
