Beyond the Mountaintop Mark A. Thacker, 2014-06-19 In each life there are mountains to be climbed obstacles to overcome lessons to be learned For noted sales and leadership consultant Mark Thacker taking on Mount Kilimanjaro at age 50 brought more than physical challenges it also revealed with unexpected clarity life lessons in how to serve others and achieve more in the process In Beyond the Mountaintop Observations on Selling Living and Achieving Thacker shares the compelling story of how he and wife Pam stepped far beyond their comfort zones to venture a world away from their Indiana home to Tanzania It was there that they tested the limits of their strength endurance and will to succeed as they set out to conquer the world's 4th highest mountain It was there that they discovered untapped resolve within themselves And it was there thousands of feet above the African clouds where they found the very best of the human spirit and the true meaning of abundance Part adventure narrative and part sales and leadership manifesto Beyond the Mountaintop takes you into that thin Kilimanjaro air that few dare to breathe Whether you are a sales professional seeking to scale the peaks that stand in the way of your success or someone who is simply taking on the struggles of an ordinary day Beyond the Mountaintop will inspire you to new heights

Thomas Jefferson Thomas S. Kidd, 2022-05-10 A revelatory new biography of Thomas Jefferson focusing on his ethical and spiritual life Set aside everything you think you know about Thomas Jefferson and religion and read this book This is the definitive account It is well written well researched judicious and entirely convincing Timothy Larsen Wheaton College Thomas Jefferson was arguably the most brilliant and inspiring political writer in American history But the ethical realities of his personal life and political career did not live up to his soaring rhetoric Indeed three tensions defined Jefferson's moral life democracy versus slavery republican virtue versus dissolute consumption and veneration for Jesus versus skepticism about Christianity In this book Thomas S. Kidd tells the story of Jefferson's ethical life through the lens of these tensions including an unapologetic focus on the issue where Jefferson's idealistic philosophy and lived reality clashed most obviously his sexual relationship with his enslaved woman Sally Hemings In doing so he offers a unique perspective on one of American history's most studied figures
