third rate theatre she is a truly remarkable artist and her talent and beauty win over Dorian. He falls dramatically in love with her and she with him. For a moment it seems like everything will turn out wonderfully. However this is just the beginning of Dorian's story. Once he and Sybil are engaged her talent suddenly disappears she is so overcome with her passionate love for Dorian that none of her roles on stage seem important to her anymore. This destroys Dorian's love for her and he brutally dumps her. Back home he notices something different in his portrait it looks somehow crueler. In the meanwhile the distraught Sybil commits suicide just as Dorian decides to return to her and take back his terrible words. Sybil's suicide changes everything. At first Dorian feels horrible but he rather quickly changes his tune. On Lord Henry's suggestion Dorian reads a mysterious yellow book a decadent French novel that makes him reevaluate his whole belief system. The protagonist of the book lives his life in pursuit of sensual pleasures which intrigues Dorian. From this moment on Dorian is a changed man. Dorian starts to live as hedonistically as his wicked mentor Lord Henry does. The only thing that documents this turn for the worst is the portrait which alarmingly begins to exhibit the inward corruption of Dorian's soul the beautiful image changes revealing new scars and physical flaws with each of Dorian's dastardly actions. As years pass the man in the picture grows more and more hideous as Dorian himself stays unnaturally young and beautiful. Rumors start to spread about the various people whose lives Dorian has ruined and his formerly good reputation is destroyed. On Dorian's 38th birthday he encounters Basil who desperately asks his former friend if all the horrifying rumors about him are true. Dorian finally snaps and shows Basil the portrait in which the horrible truth about his wicked nature is revealed. Basil recoils and begs Dorian to pray for forgiveness. In response Dorian murders Basil stabbing him brutally. He blackmails another of his former friends into disposing of the body. Dorian retreats to an opium den after dealing with all of the evidence where he encounters an enemy he didn't know he had Sybil Vane's brother James.
