into direct conflict with East London's ruling crime lord Sid Malone. India is not good for business and at first Malone wants her out. But against all odds India and Sid fall in love. Different in nearly every way they share one thing in common: they're both wounded souls. Their love is impossible and they know it, yet they cling to it desperately. Lytton India's fiancé will stop at nothing to marry India and gain her family's fortune. Fractious criminal underlings and rivals conspire against Sid. When Sid is finally betrayed by one of his own, he must flee London to save his life. Mistakenly thinking him dead, India, pregnant and desperate, marries Freddie to provide a father for hers and Sid's child. India and Sid must each make a terrible sacrifice, a sacrifice that will change them both forever. One that will lead them to other lives and other places and perhaps one distant, bittersweet day back to each other.
