Urban Legends Peter L'Official,2020-07-21 A cultural history of the South Bronx that reaches beyond familiar narratives of urban ruin and renaissance beyond the inner city symbol to reveal the place and people obscured by its myths For decades the South Bronx was America s inner city Synonymous with civic neglect crime and metropolitan decay the Bronx became the preeminent symbol used to proclaim the failings of urban places and the communities of color who lived in them Images of its ruins none more infamous than the one broadcast live during the 1977 World Series a building burning near Yankee Stadium proclaimed the failures of urbanism Yet this same South Bronx produced hip hop arguably the most powerful artistic and cultural innovation of the past fifty years Two narratives urban crisis and cultural renaissance have dominated understandings of the Bronx and other urban environments Today as gentrification transforms American cities economically and demographically the twin narratives structure our thinking about urban life A Bronx native Peter L Official draws on literature and the visual arts to recapture the history people and place beyond its myths and legends Both fact and symbol the Bronx was not a decades long funeral pyre nor was hip hop its lone cultural contribution L Official juxtaposes the artist Gordon Matta Clark s carvings of abandoned buildings with the city s trompe l oeil decals program examines the centrality of the Bronx s infamous Charlotte Street to two Hollywood films offers original readings of novels by Don DeLillo and Tom Wolfe and charts the emergence of a global Bronx as graffiti was brought into galleries and exhibited internationally promoting a symbolic Bronx abroad Urban Legends presents a new cultural history of what it meant to live work and create in the Bronx **The Publishers Weekly** ,1993 **Fear City Cinema** Roger A. Salerno,2022-04-20 This book studies a grouping of films set in New York City between 1965 and 1995 reflecting a town besieged by rampant criminality social distress and physical decay Fear City is a term the NYPD used to label New York as a frightening environment incapable of securing the safety of its residents This book not only deals with the social problems evident in New York during this period but also provides a study of how independent filmmakers were able to capture unsettling urban imagery capitalizing on feelings of paranoia and dread The author explores how the tone of these films reflects upon the anti urbanism that led to the War on Crime the mass exodus of working class people from the city and mass incarceration of young Black men Race and Urban Space in American Culture Liam Kennedy,2013-04-11 This innovative study looks at the formation of ethnic and racial identities in relation to the development of urban culture The concept of urban space provides the means of organization for comprehensive illustrations of a series of themes including white paranoia and urban decline imagined urban communities urban crime and justice the racialized underclass globalization and new ethnicities Race and Urban Space in American Culture focuses on a wide range of contemporary film and literature including works by African American

Irish American Hispanic Puerto Rican and Iranian American authors and examines the ways in which representations of urban space define issues of rights community and citizenship Books to Die For John Connolly, Declan Burke, 2016-10-25

An anthology featuring the world's greatest mystery authors writing about the world's greatest mystery novels **Post-war Literature** Glenn Horowitz Bookseller (Firm), Glenn Horowitz, Sarah Funke, 1998 *Songbook for Haunted Boys and Girls* Wayne McNeill, 2013-06-22

Evocative in the purest meaning of the word romantic in the truest sense *Songbook for Haunted Boys and Girls* leaves the constraints of the traditional narrative form behind and presents sketches in time and space moments of life frozen for our senses snapshots that are not only visual but engage all our senses This is haiku in prose and prose at its best Wayne McNeill's latest book will leave you feeling with each word as if you too are living life on The Danforth sharing wine and song with those who populate this vibrant neighborhood Some samples One of the advantages to living above a bakery is the smell of baking bread on summer mornings Surely there are few more life affirming fragrances offered in this world Many a time I've sat out on the fire escape in housecoat and slippers to breathe in such rare fied air It's an ancient comfort and one that should by no means be undervalued Taramousalata versus black olive spread is the only serious philosophical question Look how the streetlights brighten my living room after dark A few hours before dawn you will note the all night buses passing by with their cargo of fallen angels And if you're up and about around six or seven you'll find the boys and girls filling the sidewalk fruit and vegetable stands This is a village unto itself Throwaway umbrellas are sold for a dollar each outside the subway station **Race and Urban Space in Contemporary American Culture** Liam Kennedy, 2019-07-31

This innovative book looks at representations of ethnic and racial identities in relation to the development of urban culture in postindustrialised American cities The concept of urban space organises the detailed illustration of a series of themes which structure chapters on white paranoia and urban decline memories of urban passage the racialised underclass urban crime and justice and globalisation and citizenship The book focuses on a range of literary and visual forms including novels journalism films narrative and documentary and photography to examine the relationship between race and representation in the production of urban space Texts analysed include writings by Tom Wolfe *The Bonfire of the Vanities* Toni Morrison *Jazz* John Edgar Wildeman *Philadelphia Fire* and Walter Mosley *Devil in a Blue Dress* Films covered include *Falling Down* *Strange Days* *Hoop Dreams* and *Clockers* Provocative and absorbing this interdisciplinary treatment of urban representations engages contemporary theoretical and sociological debates about race and the city Issues of space and spatiality in representations of the city are explored and the author shows how expressive forms of literary and visual representation interact with broader productions of urban space *The Movie Guide* James Monaco, 1992

From *The Big Sleep* to *Babette's Feast* from *Lawrence of Arabia* to *Drugstore Cowboy* *The Movie Guide* offers the inside word on 3 500 of the best motion pictures ever made James Monaco is the president and founder of BASELINE the world's leading supplier of information to the film and television industries Among his previous books are *The Encyclopedia of Film* *American Film*

Now and How to Read a Film *St. Thomas Law Review* ,1997 **Gangs in Garden City** Sarah Garland,2010-11 For decades street gangs have been synonymous with inner cities where drugs and drive by shootings are a fact of daily life But in a disturbing new trend two gangs Mara Salvatrucha and 18th Street with their roots in Central America and Los Angeles have ventured beyond our urban centers and into America s most exclusive suburbs For the past five years journalist Sarah Garland has reported on the changing landscape and demographics of Hempstead Long Island following the lives of current and former gang members In *Gangs in Garden City* she tells their stories We meet Julio a Salvadoran civil war veteran escaping the violence back home only to join Mara Salvatrucha in Los Angeles and flee again for New York Jessica who comes from a family of Mara Salvatrucha members yet chooses to join a rival gang and twelve year old Daniel a recent Salvadoran immigrant who must choose between his best friend and the gang as he fights off bullies and tries to fit in They have the same dreams and the same problems as suburban teenagers everywhere except they learn the only way to survive is to join the rising tide of violence that surrounds them Their disturbing personal narratives expose the cruel reality of segregation racial income gaps and poverty which lie hidden behind suburban white picket fences in a pattern repeated all across America While the gangs growth has provoked a nationwide panic and a decade of federal and local law enforcement crackdowns she asks why their spread is so prevalent and what it reveals about the fractures in American society *Gangs in Garden City* not only explores our false assumptions about these gangs but also shows how immigration raids rising incarceration rates suburban decay and inadequate funding of our nation s schools have worsened an alarming situation Fearlessly reported and sensitively told *Gangs in Garden City* unveils a hidden troubling world that exists in the shadows of our own Garland shows how the gangs next door will continue to spread and thrive if we do not act quickly to uproot them

Sounds and the City B. Lashua,K. Spracklen,S. Wagg,2014-05-27 This book explores the ways in which Western derived music connects with globalization hybridity consumerism and the flow of cultures Both as local terrain and as global crossroads cities remain fascinating spaces of cultural contestation and meaning making via the composing playing recording and consumption of popular music *Namedropping* Richard Elman,1999-06-10 In the course of the same old race I find myself writing about knowing some people how fame seems to set some people apart from us once known I was astonished by Ernest Hemingway s small weak handshake when we were introduced at Scribners by John Hall Wheelock and by the jolt of force with which Elie Wiesel squeezed my hand How long ago seems knowing too when I first meet Isaac Singer he asks me Who is Mr Saul Bellow We re on the Upper West Side in his apartment next to the funeral parlor A yellow parakeet hops around on Singer s bald forehead Singer s great comic story of faith Gimpel the Fool has only recently been published from Yiddish into English in a translation by Saul Bellow They re both still a long way from Stockholm Do you know him Can you tell me who this Mr Bellow is he asks It was not always possible to guess Singer s motives in acting as though he was not impressed with worldly reputations His features of a medieval Polish saint even to a faint white haired tonsure effect around

the crown of his skull were backlit by the glowing monitor from his mischievous incubus from the Preface These are Richard Elman's candid snapshots in prose of the various mostly literary celebrities he encountered during his four decades as a working writer and journalist among them Isaac Bashevis Singer Tillie Olsen Bernard Malamud Faye Dunaway Hunter S Thompson and other important artists and writers who were Elman's teachers and occasionally adversaries Engagingly written and never superficial these portraits and anecdotes in many cases strike to the center of each subject's art To many readers these persons are just names Elman brings them to life while never simplifying or overdramatizing their work
