Publishing,2005-08 Includes reproducible student pages Cover **The Acts of the Apostles** Luke Timothy Johnson, Daniel J. Harrington,1992 **Narrative Art & Women in the Gospels and Acts** David Malick,2018-06-05 David Malick applies the hermeneutics of narrative analysis to select passages involving women in the Gospels of Mark Luke John and in the Book of Acts At times the scope of this analysis extends beyond heightened understanding of how authors presented women as significant characters and even foils to men in the narratives The use of duality and balance in the narratives of Zacharias and Mary Nicodemus and the Samaritan Woman and Aeneas Tabatha and Cornelius focus on what the author is doing with what he is saying The use of intercalations or sandwich stories brings about heightened meaning when the stories of Jesus mother and the religious leaders or Jairus and the woman with a hemorrhage or Judas and the woman who anoints Jesus for his burial are read together in Mark A first and subsequent reading of the healing of Simon s mother in law in Mark provides the reader with the first picture of true discipleship The literary technique of a sign sermon shows logical unity to what might be considered separate units in Mark and Acts *Sacra Pagina: The Acts Of The Apostles* Luke Timothy Johnson,2023-06-13 The Acts of the Apostles is really the second volume in the two part writing scholars call Luke Acts It continues the story begun in the Gospel of Luke showing how the Good News offered by Jesus to the outcast of the people was eventually extended to the end of the earth so that Gentiles as well as Jews came to share in the blessings of God This commentary treats Luke Acts as an apologetic history It takes with equal seriousness both Luke s literary artistry and his historical interests fitting his methods comfortably within the ancient standards of historiography This perspective illustrates in particular that Luke s historical narrative serves a definite religious intent Tracing that intent through the specific contours of Luke s story is the special contribution of this commentary The teacher's manual. Acts of the Apostles Robert Mimpriss,1864 *Prayers for a Simpler Life* Faith Sommers,2017-02-21 Do your quiet times with God feel disconnected from the rest of your overflowing days Shouldn t our devotions affect how we live our lives In this 90 day devotional for women plain Mennonite mother and wife Faith Sommers helps connect your moments with the Lord to the rest of your life Steeped in the faith of Amish and Mennonites who maintain that how we live is as important as what we say Sommers words hold gentle warmth and wise nudging for readers tired of disjointed living Offering daily devotions prayers journal prompts and ideas for how to simplify your life and strengthen your faith Prayers for a Simpler Life guides readers toward a deeper commitment to the way of Jesus *Romans* Christian A. Eberhart,2025-04-05 Can a feminist interpretation of Romans discover anything new In this volume Christian Eberhart pays special attention to the fact that Paul entrusted Phoebe a gentile woman with the task of delivering the letter to Rome There she would have been the person who recited it aloud and by heart in front of various audiences Yet as the leader of a congregation in Corinth Phoebe had likely also been involved in the process of composing the letter as some passages reveal This multifaceted engagement of a woman gives new meaning to the vision of human society in Romans that celebrates the full participation of women and men Jews and gentiles weak and
