Women in Rock Memoirs Cristina Garrigós, Marika Ahonen, 2023 Women in Rock Memoirs vindicates the role of women in rock music The chapters examine memoirs written by women in rock from 2010 onwards to explore how the artists narrate their life experiences and difficulties they had to overcome not only as musicians but as women The book includes memoirs written by both well known and lesser known artists and artists from both inside and outside of the Anglo American sphere The essays by scholars from different research areas and countries around the world are divided into three parts according to the overall themes Memory Trauma and Writing Authenticity Sexuality and Sexism and Aging Performance and the Image They explore the dynamics of memoir as a genre by discussing the similarities and differences between the women in rock and the choices they have made when writing their books As a whole they help form a better understanding of today's possibilities and future challenges for women in rock music **Understanding Popular Music Culture** Roy Shuker, 2013

Focusing on the variety of genres that make up pop music Roy Shuker explores key subjects which shape our experience of music such as music production the music industry music policy fans audiences and subcultures *From the Inside* Russ DiBella, 2011-03-03 In 1978 when music found its way into Russ DiBella's life largely by way of external circumstances a

natural progression of sorts began to unfold which would eventually marry his affection for words with a nascent interest in drumming and lyric writing What began as a teenage rite of passage his first rock concert would spawn a lifelong passion for all things music manifesting itself in ways both deliberate and unanticipated Part memoir and part backstage pass From the Inside is actually written from the perspective of an outsider looking in although very often and surreptitiously from within With a detailed history of how music became such an actively integral part of his life even before an awareness of his parents unintended influence and an in depth behind the scenes look at several concerts to include a respectable gathering of drumsticks along the way DiBella recounts with enthusiasm and occasional humility more than thirty years of experiences as admirer accomplice and collector Less a narrative about unofficial access to rock stars From the Inside sneaks a peek behind the proverbial curtain to discover some of the inner workings of live concerts Meeting drum techs guitar techs and other assorted crew and band members and observing load ins soundchecks and even a few shows from the other side of the stage offers an intimate look at activities otherwise inaccessible to the typical concert goer Not wanting for moments of rocknroll flash encounters with rockers Mick Jagger Eddie Van Halen and Neil Peart as well as country artists Brad Paisley and Montgomery Gentry among many others provide additional insight and add elements of celebrity to this otherwise personal account Clearly written with an appreciation both for music and those artists who've inspired From the Inside is the story of a life examined through the lens of music
