Between War And Peace:

Ukraine Between War and Peace Jacques Baud, 2023-07-04 Has the US strategy in Ukraine reached an impasse What is the Russian conduct of military operations When will the Ukrainian counter offensive take place Does Western weaponry really make a difference in Ukraine Who are the winners of this war What changes in the world are we witnessing since February 24 2022 What is the reality of the losses on the Ukrainian and Russian sides Can Western industry compete with Russian industry in Ukraine Why is a negotiated solution not being sought How is our perception of the conflict serving Ukraine To answer these questions and many others Jacques Baud relies on information from Western intelligence services and American documents that were leaked in April 2023 After the best sellers *Putin Game Master* and *Operation Z* both works praised world wide Baud returns to the war in Ukraine by analyzing the facts and nothing but the facts Whether one is for or against the position of Ukraine one must nevertheless deal with the field of operations and to analyze what is happening there This is the only way to find a path to peace because peace will not come by relying on illusions Jacques Baud was a member of the Swiss strategic intelligence a specialist in Eastern European countries and a former head of the United Nations peace operations doctrine In NATO he was involved in programs in Ukraine including after the Mayan revolution in 2014 and 2017 In addition to his major works on the conflict in Ukraine he is the author of several books on intelligence war and terrorism including *Governing by Fake News* *Defeating Jihadist Terrorism* and *The Navalny Affair* all published by Max Milo

Theories of War and Peace Michael E. Brown, Owen R. Cote, Jr., Sean M. Lynn-Jones, Steven E. Miller, 1998-09-15 New approaches to understanding war and peace in the changing international system What causes war How can wars be prevented Scholars and policymakers have sought the answers to these questions for centuries Although wars continue to occur recent scholarship has made progress toward developing more sophisticated and perhaps more useful theories on the causes and prevention of war This volume includes essays by leading scholars on contemporary approaches to understanding war and peace The essays include expositions analyses and critiques of some of the more prominent and enduring explanations of war Several authors discuss realist theories of war which focus on the distribution of power and the potential for offensive war Others examine the prominent hypothesis that the spread of democracy will usher in an era of peace In light of the apparent increase in nationalism and ethnic conflict several authors present hypotheses on how nationalism causes war and how such wars can be controlled Contributors also engage in a vigorous debate on whether international institutions can promote peace In a section on war and peace in the changing international system several authors consider whether rising levels of international economic independence and environmental scarcity will influence the likelihood of war

Christian Attitudes toward War and Peace Roland H. Bainton, 2008-09-01 Any scholarship that addresses the evolution of Christian perspectives on warfare generally references this book first published in 1960 Although the scholarship of this work is now outdated and critiqued Bainton's work is foundational in the area Bainton believes that the Christian community started out pacifistic then developed the just war doctrine and finally adopted holy war ideals He traces this trajectory from the Early Church up through the wars and conflicts of the 20th century Finally Bainton adds his critique of current militaristic ideas especially in regards to atomic warfare from a review by Andrew Lumpkin

War and Peace in Transition Karin Aggestam, Annika Björkdahl, 2009-01-06 A systematic approach to analyzing some of the transient aspects of war and peace with empirical cases that include Iraq Israel Palestine Sri Lanka and the Armenian genocide this book discusses some of the critical and transformative issues in war and peacemaking Considering subjects such as the roles of private military and security companies the use of force in peace support operations how states organizations and individuals contribute to conflict resolution and the challenge of coordinating various peacemaking efforts this study explores the manifold demands and challenges facing external actors such as international peacekeeping forces and mediators

Theology Conclusion Beyond a Minority Mentality The Emerging Shi i Iranian Cosmopolitanism **War and Peace in the Altmark** Michael Göllnitz,Eckart Reihlen,Lutz Buchmann,2024-11-15 In 1607 the wealthy childless Prussian lawyer Nicolaus III Gercken dedicated his estate to support the academic education of his grandfather s descendants The Nicolaus Gercken Family Foundation still distributes land lease income to studying family members every year The foundation s successes and crises reflect German history from the 16th to the 21st century War and Peace in the Altmark is a richly illustrated German history book that describes the end of feudalism the development of modern political philosophy and the impact of technological progress on human collaboration up to the 21st century The survival of the foundation despite war confiscation and repression in Germany is a fascinating tale **War and Peace in Sudan** Manşūr Khālid,2003 Sudan has been at war with itself for the last forty years except for a ten year period of peace from 1972 to 1983 This book traces the root causes of the Sudanese conflict the remnants of slave culture and the rift between North and South exacerbated by a conflict of culture and religion Despite past divisions the author identifies new points of departure in the conflict particularly after the agreement reached by John Garang de Marbos in the South and the leadership of the Northern parties The main tenets of this agreement are recognition of the country s religious and cultural diversity separation between religion and the state recognition of citizenship as the sole determinant of political rights and duties and radical restructuring of the state as a quasi confederal state The author avers that these measures hold the last chance for Sudan to be united *Unstaging War, Confronting Conflict and Peace* Tony Fry,2019-07-24 This book presents the concept of unstaging war as a strategic response to the failure of the discourse and institutions of peace This failure is explained by exploring the changing character of conflict in current and emergent global circumstances such as asymmetrical conflicts insurgencies and terrorism Fry argues that this pluralisation of war has broken the binary relation between war and peace conflict is no longer self evident and consequentially the changes in the conditions nature systems philosophies and technologies of war must be addressed Through a deep understanding of contemporary war Fry explains why peace fails as both idea and process before presenting Unstaging War as a concept and nascent practice that acknowledges conflict as structurally present and so is not able to be dealt with by attempts to create peace Against a backdrop of increasingly tense relations between global power blocs the beginnings of a new nuclear arms race and the ever increasing human and environmental impacts of climate change a more viable alternative to war is urgently needed Unstaging War is not claimed as a solution but rather as an exploration of critical problems and an opening into the means of engaging with them Theologies of War and Peace Among Jews, Christians, and Muslims Albert B. Randall,1998 This study provides analyses into the concepts of war and peace as found in the Jewish Christian and Muslim religions It covers topics such as the traditions of the Prophets theologies of war theologies of peace and unholy war **The Originals: War and Peace** Leo Tolstoy,2018-07-05 War and Peace by Leo Tolstoy chronicles the French invasion of Russia and its impact on Tsarist Russia through the stories of five families the Bezukhovs the Bolkonskys

the Rostovs the Kuragins and the Drubetskoys The Russian Messenger published portions of the manuscript titled The Year 1805 as a serial from 1865 to 1867 Dissatisfied with the published version Tolstoy extensively rewrote the novel between 1866 and 1869 After his wife Sophia Tolstaya copied as many as seven separate manuscripts the author considered it for publication again Tolstoy finally changed the name to War and Peace it is believed that he borrowed the title from Pierre Joseph Proudhon s 1861 book *La Guerre et la Paix* War and Peace has been translated into several languages and is regarded as Tolstoy s finest literary achievement
