Between The Gates Helpful Words From Where Scripture Meets Life:

Good words, ed. by N. Macleod Norman Macleod,1861 **Gate Crashers** Joe Kohler,2015-02-23 Gate Crashers The Offensive Church makes the case that God desires to work through the church to do abundantly beyond all that we ask or think according to the power that works within us not because we deserve it but for the praise honor and glory of his own name Eph 3 20 21 Although much modern experience within the ranks of the professing church would cast doubt on this the Scriptures reveal God s amazing plan and model for his church While it may be true that our present system of church has drifted away from God s perfect design the good news is that we can get back on track by submitting to his perfect will Are you ready to get onboard the Offensive Church and become a gate crasher *Trees of Life* Una Kroll,1997 How do we pray for the world How can intercessory prayer become more than a formal episode in corporate worship or a list of names in a newsletter How do Christians develop the qualities they need if they are to pray to God from within the mind of Christ And what is the cost when that prayer is also deeply rooted in the realities of the world In *Trees of Life* Una Kroll offers the fruits of a lifetime s experience of intercessory prayer Doctor contemplative grandmother and priest she speaks to people who come to Christ with concerns which they want to lay before him Here Intercession takes the Christian disciple to the heart of Christ s cosmic work on the cross and unites his suffering to ours the world s suffering to his Thoughts about trees have woven themselves into her own journey They are real trees mythical trees and the trees which in the Judaeo Christian Scriptures carry the symbolism of life and death of good and evil Una Kroll relates her own story to these trees of life to the word of God in the Bible and to the teachings of the Christian Church These reflections are followed by practical suggestions not only for intercessors but for those who accompany others on their journeys as soul friend spiritual directors and companions Word and work, ed. by C.R. Hurditch Charles Russell Hurditch,1886 Of Justification by Faith and Works; a dialogue between a Methodist and a Churchman William LAW (Author of "A Serious Call, " etc.),1760 *A. W. The Works of that Eminent Servant of Christ, Mr. John Bunyan John Bunyan,Samuel Wilson,1736 **A Gate to Heaven** Etienne Nodet,2024-11-28 Etienne Nodet proposes that Qumran functioned as a pilgrimage site for the Essenes from the 1st century BC onwards Nodet suggests that the Essenes were scattered everywhere within Palestine in rural communities and that they used to commemorate a renewal of the early Israelites entrance into the Promised Land after crossing the Jordan river and celebrating Passover at Gilgal with Joshua Moses heir The Essene dead were moved to be buried at Qumran in a well organized graveyard as the place was deemed to be a kind of gate to heaven Nodet shows how the Jewish movement of the Essenes did not did not disappear after the war in 70 CE rather its customs had a strong

influence upon early Christianity and Rabbinic Judaism The chapters of this book examine the Essenes in the period after the war in Jerusalem showing how this community developed and its longer term significance This is linked to the texts of the New Testament to the writings of Josephus and to the Qumran community's own documents the Dead Sea Scrolls

Cyclopædia of Biblical, Theological, and Ecclesiastical Literature John McClintock, James Strong, 1891 *Faith, Conflict, and Resolution: Navigating The Great Controversy between Good and Evil* Keith Hudson Muloongo, 2025-05-06 In a world of spiritual confusion and relentless conflict Faith Conflict and Resolution offers a beacon of clarity and hope Drawing from the timeless insights of The Great Controversy this book delves into the cosmic battle between good and evil revealing how ancient truths illuminate modern struggles Through scholarly yet accessible prose the author unpacks key themes the centrality of Scripture the dangers of complacency and the transformative power of discernment Readers will explore how historical events prophetic fulfillments and personal faith intersect equipping them to navigate life's storms with courage and conviction But this is more than a theoretical exploration it's a call to action Each chapter provides practical steps for applying biblical principles to everyday challenges With its unique blend of pastoral wisdom and theological depth the book makes ancient doctrine relevant for today offering readers not just knowledge but actionable wisdom Beware the sirens of superficial faith fixating on hollow debates not Scripture's depths True discernment demands looking beyond tradition pride and half truths Critics may mock vigilance dismissing prophecy spiritual discipline or the cosmic conflict itself as relics or folly But complacency shipwrecks more souls than storms We sail past the sirens of superficiality here the rocks are real but so is the lighthouse Engage with humility test every insight against Scripture and the Holy Spirit's whisper or risk drifting into the very deceptions the book warns against Whether you're a seasoned believer seeking deeper understanding or a curious seeker exploring faith for the first time Faith Conflict and Resolution will inspire you to live with purpose stand firm in truth and joyfully anticipate Christ's return The stakes of The Great Controversy are eternal choose wisely lest you anchor in shallow waters while the tempest rises Authenticated report of the discussion which took place between the Rev.
