Beyond Bumper Sticker Ethics:

Beyond Bumper Sticker Ethics Steve Wilkens, 2011-08-02 Steve Wilkens exposes the complex ethical systems lurking behind the most common slogans of our culture offering a Christian evaluation of each In this revised and expanded edition the author has updated his introductory remarks about each ethical system and has included new chapters on evolutionary ethics and narrative ethics

Integration Paul J. Morrison, 2022-06-23 While the Southern Baptist Convention has so often been a step behind on the issue of race since its formation there was still light shining in the darkness a group of biblically faithful men and women who both recognized and fought for their racially marginalized brothers and sisters Chief among these men and women was Thomas Buford Maston T B Maston faithfully engaged the topic as the SBC's preeminent ethicist from 1922-1963 as a professor at Southwestern Baptist Theological Seminary This stand ultimately cost him his job Even still some sixty years later his theology and ethics model the full unity in Christ This book examines the writings of T B Maston in his efforts to reform the racially misguided interpretations of Scripture in the church and their subsequent prejudices Maston is not merely a visionary who foreshadowed the eventual position of the SBC and more widely the evangelical church but is one who directly caused legitimate change Maston's profound yet humble work gives a blueprint for future racial reconciliation through integration in the church

Honorable in Business Annetta Gibson, Daniel Augsburg, 2019-01-14 How can one be a Christian in the world of business not just on the weekend How can one be honorable in business Through the integration of the Christian worldview and business ethics this book provides Christians with a mental framework with which to answer these important questions Beginning with Genesis as the foundation for the Christian's worldview and the Ten Commandments as the outline for the Christian's ethical obligations the authors develop principles upon which ethical choices can be made even when working in a primarily non-Christian oriented business environment The book is designed to be helpful both to those beginning their career in business and those already employed in business who struggle with how to engage in today's business environment while maintaining their commitment to God's vision for life to be both meaningful and honorable Topics of business ethics such as employee rights discrimination technology and privacy insider trading and accounting fraud and the special challenges of working internationally are covered The added value this book brings to these discussions lies in its serious consideration of the Christian worldview as foundational to ethical decision making in everyday areas of business

Transformational Ethics of Film Martin P. Rossouw, 2021-05-31 What is the good of the film experience And how does the budding field of film as philosophy answer this question Charting new routes for film ethics Martin P Rossouw develops a critical account of the transformational ethics at work within the film as philosophy debate Whenever philosophers claim that

films can do philosophy they also persistently put forward edifying practical effects potential transformations of thought and experience as the benefit of viewing such films Through rigorous appraisals of key arguments and with reference to the cinema of Terrence Malick Rossouw pieces together the idea of an inner makeover through cinema a cinemakeover which casts a distinct vision of film spectatorship as a practice of self transformation Recasting much of the existing debate Martin Rossouw s emphasis on film s power for enacting ethical transformation rather than theoretical insight or discovery gives a much needed shot in the arm to a topic whose development has stalled in recent years This highly original book offers a unique and provocative contribution to the scholarship Rossouw is a persistent questioner often demonstrating sharp philosophical instincts Shawn Loht Philosophy in Review Vol 43 no 1 February 2023 At once a comprehensive record and a ceaseless meta critique Rossouw s Transformational Ethics of Film is a thorough and bittersweet investigation into the aspiration and limits of this strand of film philosophy scholarship Rossouw s detailed commitment to this critical exercise both provides a bountiful resource for film ethics scholarship bringing organized clarity to an otherwise scattered but nonetheless commanding school of thought and presents a potentially radical prospect for the position of meta hermeneutics in the world of art theory Daniel E Smith New Review of Film and Television Studies Vol 22 no 2 July 2024 [Atheism?](#) Stephen E. Parrish,2019-05-06 Does atheism have a monopoly on reason and science Many think so or simply assume so Atheism challenges the many hidden assumptions that have led to the popular belief that atheism is the default position for explaining reality Delving into the most basic and fundamental questions of existence this thought provoking book explains that atheism does not and cannot provide a secure foundation for thought and life Specifically it demonstrates that atheistic theories cannot explain the existence of an ordered universe the conundrums of consciousness and knowledge or why there is morality or beauty Rather than being the result of reason atheism is shown to be in effect a revolt against reason If you enjoy pondering the most basic issues that confront us in our world today then Atheism is the book for you [Christian Ethics](#) Steve Wilkens,2017-06-27 Steve Wilkens edits a conversation between four major approaches to contemporary ethics in the Christian tradition virtue divine command natural law and prophetic This accessible introduction includes contributions by Brad Kallenberg John Hare Claire Peterson and Peter Heltzel *An Introduction to Biblical Ethics* Robertson McQuilkin,Paul Copan,2014-06-05 What should we do or not do This comprehensive text on biblical ethics is completely revised focusing on how we fulfill the purposes of God for our lives New content includes discussions of living virtuously ethical alternatives bioethical issues technology helping the poor animal rights sexual ethics and the media

Beyond Chapter and Verse Ken Casillas,2018-02-28 Do you struggle to connect the dots between the Bible and your life While Christians instinctively want to apply Scripture we encounter difficulties that can discourage us and diminish our engagement with God s Word Indeed biblical application has suffered in various ways in the church everything from neglect to abuse to contempt Responding to such challenges Beyond Chapter and Verse provides a biblically based rationale for the

practice of application and then proposes a biblically consistent method for application The book is substantive but accessible relevant for believers generally as well as preachers It begins by sketching the broad theological context of Bible application relating it to the gospel generally and to sanctification specifically The heart of the study then synthesizes key Old and New Testament passages relative to the process of application Building on this foundation the book sets forth a sensible approach for arriving at legitimate applications of Scripture A rich assortment of positive and negative case studies illustrates the method motivating believers to apply the Scriptures for themselves **Sermon on the Mount** Scot McKnight, 2013-10-29

Emphasizing the historical distance between the New Testament and our contemporary culture The Sermon on the Mount offers helpful contextual insights for those seeking to discern how to live out the Bible in today's world This sermon is the moral portrait of Jesus' own people yet the contrast between his vision and our lives is so stark that many theologians have tried to soften the demands it makes on us until it's been skewed beyond recognition in the minds of many Christians The goal of this special volume of The Story of God Bible Commentary series is to investigate the Sermon on the Mount in light of the way Jesus meant it to be heard requiring us to ask difficult questions about ethics discipleship and salvation The first commentary series to do so SGBC offers a clear and compelling exposition of biblical texts guiding everyday readers in how to creatively and faithfully live out the Bible in their own contexts Its story-centric approach is ideal for pastors students Sunday school teachers and laypeople alike Each volume employs three main easy-to-use sections designed to help readers live out God's story LISTEN to the Story Includes complete NIV text with references to other texts at work in each passage encouraging the reader to hear it within the Bible's grand story EXPLAIN the Story Explores and illuminates each text as embedded in its canonical and historical setting LIVE the Story Reflects on how each text can be lived today and includes contemporary stories and illustrations to aid preachers teachers and students Edited by Scot McKnight and Tremper Longman III and written by a number of top-notch theologians The Story of God Bible Commentary series will bring relevant balanced and clear-minded theological insight to any biblical education or ministry *The Unformed Conscience of*
