Beyond East And West Problems In Liturgical Understanding:

Beyond East and West Robert F. Taft, 1997 The Encyclopedia of Christianity, Vol. 5 Erwin Fahlbusch, Geoffrey William Bromiley, 1999 Written by leading scholars from around the world the articles in this volume range from sin Sufism and terrorism to theology in the 19th and 20th centuries Vatican I and II and the virgin birth **The Liturgical Past in Byzantium and Early Rus** Sean Griffin, 2019-08-15 The first major study of the relationship between liturgy and historiography in early medieval Rus The Blackwell Dictionary of Eastern Christianity Ken Parry, David J. Melling, Dimitri Brady, Sidney H. Griffith, John F. Healey, 2000-11-08 Containing over 700 articles this Dictionary allows the reader to explore Eastern Christian civilization with its cultural and religious riches The articles are written by a team of 50 international contributors including leading historians theologians linguists philosophers patrologists musicians and scholars of liturgy and iconography *Fight Valiantly* Tom Clammer, 2019-06-30 There is a clear lack in the Church of England of a coherent and thought through treatment of evil and the devil within the texts which the Church of England traditionally identifies as the repositories of doctrine Focusing on initiation healing and deliverance liturgies within the church *Fight Valiantly* seeks to rectify that deficit considering the Church of England's liturgical practice in the parishes and highlighting the present danger of worshippers receiving an inconsistent and potentially incoherent account of the relationship with evil *Ways of Living Religion* Christina M. Gschwandtner, 2024-03-14 This study provides a philosophical analysis of different types of religious experience focusing on the lived experience of religion *Divine Liturgies - Human Problems in Byzantium, Armenia, Syria and Palestine* Robert F. Taft, 2024-10-28 In obedience to Jesus command Do this in remembrance of me the ritual repetition of the Lord's Supper down through the ages and across multiple Christian cultures in the liturgies of East and West has given rise inevitably to innumerable diversities of shape text cultural context and theological interpretation as well as to debates sometimes heated among modern experts as to the methodologies for resolving the problems arising from these differences The problems of cultural history structural historical and textual reconstruction theological interpretation and method involved in the modern scholarly debate on these issues are the object of the studies in this volume dedicated to the liturgies of Byzantium Armenia Syria and Palestine **The Roman Mass** Uwe Michael Lang, 2022-09-29 This volume offers a new synthetic overview of the structure and ritual shape of the Roman Mass from its formative period in late antiquity to its post Tridentine standardisation Starting with the Last Supper and the origins of the Eucharist Uwe Michael Lang constructs a narrative that explores the intense religious social and cultural transformations that shaped the Roman Mass Lang unites classical liturgical history with insights from a variety of other disciplines that have drawn attention to the ritual performance and reception of the mass He also presents liturgical developments within the broader historical and theological contexts that affected the celebration and experience of the sacramental rite that is still at the heart of Catholic Christianity Aimed at scholars from a broad swathe of subjects including religious studies history art history literature and

music Lang s volume serves as a comprehensive history of the Roman Mass over the course of a millenium Beyond the Prosaic Stratford Caldecott,1998-01-01 The 1996 conference of the Centre for Faith Culture in Oxford and the associated Oxford Declaration on Liturgy included in this volume gave a voice to calls for the reform of the reform This book forms a point of reference and a resource for those who are concerned about the need to recover a sense of the sacred in Catholic Liturgy **Performing Orthodox Ritual in Byzantium** Andrew Walker White,2015-10-08 The first full length

interdisciplinary study of the Greek performing arts theatre rhetoric and ritual between antiquity and the Renaissance

Psalms in Community Harold W. Attridge,Margot Elsbeth Fassler,2004 The Psalms initially shaped by the experience of Israel have expressed religious impulses of both Jews and Christians across the centuries Essays from a spectrum of disciplines demonstrate how the Psalms have functioned over time in these communities of conviction **Sacraments and**

Worship Maxwell E. Johnson,2012-01-01 The church s development and use of sacraments has evolved in many ways from the days of the early church to the present This sourcebook provides key theological texts that played a role in those movements Johnson traces the history and theology of individual sacraments along with their liturgical context in the church s worship He includes materials previously developed in James F White s classic collection Documents of Christian Worship Descriptive and Interpretive Sources Westminster John Knox Press 1992 and supplements these to provide a wide range of indispensable materials He also contributes helpful background notes to give the reader the full breadth and depth of the church s thought on these important topics This book will be of great value to those studying the history of Christian worship and the development of the sacraments Eucharistic Church, Eucharistic Formation Owen F. Cummings,Mark

Nussberger,2023-02-28 Theological colleges preparing ministerial candidates for ordination are constantly engaged in revising their curricula In the American Catholic Church at this time in 2022 this process is guided by the US bishops document the Program of Priestly Formation Mount Angel Seminary believes that its theological curriculum centered on the Eucharist and known as communion ecclesiology offers an integrated approach to priestly formation in all four dimensions of that document academic personal spiritual and pastoral The various essays in this book both illustrate how this is done and offer an example to other institutions involved in priestly formation *The Byzantine World* Paul Stephenson,2010-12-20

The Byzantine World presents the latest insights of the leading scholars in the fields of Byzantine studies history art and architectural history literature and theology Those who know little of Byzantine history culture and civilization between AD 700 and 1453 will find overviews and distillations while those who know much already will be afforded countless new vistas Each chapter offers an innovative approach to a well known topic or a diversion from a well trodden path Readers will be introduced to Byzantine women and children men and eunuchs emperors patriarchs aristocrats and slaves They will explore churches and fortifications monasteries and palaces from Constantinople to Cyprus and Syria in the east and to Apulia and Venice in the west Secular and sacred art profane and spiritual literature will be revealed to the reader who will be

encouraged to read see smell and touch The worlds of Byzantine ceremonial and sanctity liturgy and letters Orthodoxy and heresy will be explored by both leading and innovative international scholars Ultimately readers will find insights into the emergence of modern Byzantine studies and of popular Byzantine history that are informative novel and unexpected and that provide a thorough understanding of both

The New Worship Awakening Robert E. Webber, 2007 The cultural shift since 2001 is very different than that of the 60 s and 70 s It is a culture tired of noise turned off by phoniness sick of glitz and wary of the superficial It is a culture that is searching for an authentic encounter with God longing for depth and substance craving quiet and spiritual contemplation and moved by visual tactile forms of communication The New Worship Awakening examines the wide array of worship styles from traditional to contemporary currently in practice in today s churches Webber makes a compelling case for renewing the vigor of the spiritual life of the church through two means grounding worship in the biblical narrative while at the same time integrating an understanding of worship traditions throughout history Through astute observations and personal experiences the author emphasizes that Christ can be encountered through the arts the services of the Christian year the Sacraments the singing of hymns and folk songs the passing of the peace the Liturgy and many other means that incorporate Christian worship styles through the ages He makes the all important point that worship today celebrates the same Christ who walked the earth two thousand years ago and that in true and lively worship there is divine action There is an action from above the Holy Spirit delivers Christ and the benefits of Christ s death and resurrection to the worshippers

The Early Christian World Philip F. Esler, 2002-09-11 Early Christian World presents an exhaustive erudite and lavishly illustrated treatment of how the small movement which formed around Jesus in Galilee became the pre eminent religion of the ancient world The work begins by firmly situating early Christianity within its Mediterranean social political and religious contexts before charting the history of the first Christian centuries The creation and perpetuation of Christian communities through various means including mission and monasticism is explored as is the everyday experience of early Christians through discussion of gender and sexuality religious practice communication and social structures The intellectual particularly theological and artistic heritage of the period is fully considered and a vivid picture painted of the internal and external challenges faced by early Christianity The book concludes with profiles of the most notable figures of the age Comprehensive and accessible Early Christian World provides up to date coverage of the most important topics in the study of early Christianity together with an invaluable collection of visual material It will be an indispensable resource for anyone studying this period

The Baptismal Liturgy of Jerusalem Juliette Day, 2016-03-23 Was Jerusalem under her bishop Cyril the source of liturgical innovations in the fourth century or was she simply following trends which also affected the liturgy of neighbouring provinces In assessing these two established propositions in relation to baptism Juliette Day undertakes a careful comparative analysis of all the relevant sources for Palestine Egypt and Syria paying attention to the structure content and theological narrative of the rites which they describe The Mystagogical Catecheses commonly

attributed to Cyril of Jerusalem are the key source in this discussion and this book demonstrates that they date from the episcopate of his successor John

The Eucharistic Liturgies Paul F. Bradshaw, Maxwell E. Johnson, 2012-06-01 In graduate theology programs across the United States and elsewhere Maxwell Johnson's *The Rites of Christian Initiation: Their Evolution and Interpretation* has become a standard text. Now Johnson and Paul Bradshaw together offer a companion volume on the historical development of the liturgy and theology of the Eucharist. Like the earlier volume, this study proceeds historically from the origins of the Eucharist up to our own day. Unlike most studies of this kind, it includes an introduction to and developmental summary of the diverse eucharistic liturgies of the Christian East. It also explores the various Western rites: Ambrosian, Gallican, and Mozarabic, in addition to the Roman. With regard to theological themes, the authors give special attention to the topics of real presence, including the consecration of the bread and wine, and eucharistic sacrifice, the most central and most ecumenically challenging issues since the sixteenth-century Reformation. Making the book especially teacher and student friendly are the summary points at the end of each chapter. Each chapter also contains an abundance of liturgical texts for ease of reference.

Liturgy's Imagined Past/s Teresa Berger, Bryan D. Spinks, 2016-05-03 This book calls attention to the importance of scholarly reflection on the writing of liturgical history. The essays not only probe the impact of important shifts in historiography but also present new scholarship that promises to reconfigure some of the established images of liturgy's past. Based on papers presented at the 2014 Yale Institute of Sacred Music Liturgy Conference, *Liturgy's Imagined Past/s* seeks to invigorate discussion of methodologies and materials in contemporary writings on liturgy's pasts and to resource such writing at a point in time when formidable questions are being posed about the way in which historians construct the object of their inquiry.

Announcing the Feast Jason J. McFarland, 2011 How does the entrance song of the Mass function within the Roman Rite? What can it express theologically? What should Roman Catholics sing at the beginning of Mass? In this groundbreaking study, Jason McFarland answers these and other important questions by exploring the history and theology of the entrance song of Mass. After a careful history of the entrance song, he investigates its place in church documents. He proposes several models of the entrance song for liturgical celebration today. Finally, he offers a skillful theological analysis of the entrance song genre, focusing on the song for the Holy Thursday Evening Mass, arguably the most important entrance song of the entire liturgical year. *Announcing the Feast* provides the most comprehensive treatment of the Roman Rite entrance song to date. It is unique in that it bridges the disciplines of liturgical studies, musicology, and theological method.
