Beyond the Garden Wall Elizabeth Ann Kuhn, 2023-06-06 The Confessions and Adventures of a Former Trappistine Nun reveals the difficulty she encounters after leaving the cloistered Cistercian abbey She realizes she must face her past in order to find identity in the outside world It is her conversion story This book is a sequel to her first book Behind the Wall Authorhouse 1663 Liberty Drive Bloomington Indiana 47403 www.behindthewallbook.com Her intention is not to cast an unfavorable light on any one or any institution but to find peace and healing despite all the difficulties she encounters and to pray for lost souls souls lost like she was when she first came out and for lost shepherds who have failed to pasture their sheep Hopefully these souls will see how much God loves them and how He never gives up on them After seven years of prayer austerity and silence under simple vows she finds herself out in the modern world Returning from any religious order can be traumatic Silence reigns in a monastic cloister the only sound

heard is the chanting of the Divine Office There is no contact with the outside world no TV phones newspaper nor visitors except for parents seen behind a double grill twice a year Coming out of this order is like returning from outer space and finding the world so different Emerging from this eternal silence all of a sudden she is thrust into this chaos of noise Her journey is to find a path through this rubble and feel at home with God beyond the cloistered walls The Cistercian novice studies for two years before she pronounces vows She does not take a vow of silence but silence permeates her whole being because that is where God lives After pronouncing vows she is then consecrated to God and becomes His spouse a bride of Christ Once something is consecrated to God you just don't throw it away It is burnt because it is holy She remains committed to God throughout her life hoping for union with Him here and hereafter This book was written with an abundance of love and concern for all those passing through troubling times and who are truly seeking God There are always a few bad apples in every profession but that does not necessarily make the profession or those who embrace it bad All things work together for the good of those who love God Rom 8:28

Communication Skills for College & Beyond Series 1 , *Beyond Midnight* Antoinette Stockenberg,2015-01-09 Salem Will history repeat itself In 1692 Salem Massachusetts was the setting for the infamous persecution of innocents accused of witchcraft Three centuries later little has changed Helen Evett widowed mother of two and owner of a prestigious preschool in town finds her family her fortunes and her life s work threatened all because she feels driven to protect the sweet three year old daughter of a man who knows everything about finance but not so much about fathering Helen s feelings toward little Katie s handsome father are decidedly mixed and it will take more than knocks in the night perfumed air and bone chilling cold to convince her otherwise Nathaniel Byrne is willing to consider Helen s advice and help But he does it grudgingly because the woman is by far the most determined pushy force he s ever encountered Recently widowed tormented by the circumstances and at sea about being a single parent Nat is not inclined to hand over his daughter to just any preschool not when he has an accomplished London trained nanny who s more than willing to make those decisions for him And the nanny herself Peaches Bartholemew is as clever as she is beautiful as efficient as she is soothing Peaches can do anything The trick for Nat s dead wife will be to keep her from doing it

Reviews BEYOND MIDNIGHT has a terrific plot a wicked villain and a sexy hero But the

novel ventures beyond sheer entertainment and it is easy to see why Stockenberg's work has won such acclaim. The theme and setting create a terrifying scenario even without the supernatural elements: a chilling correspondence between the events of Salem's witch hunting hysteria and contemporary allegations of ritualistic abuse in preschools. A good read that makes you think. Comes awfully close to dare I say it literature. Katherine Hennessey Wikoff Milwaukee Journal Sentinel

Entertaining and fun. BEYOND MIDNIGHT'S shining strengths are its insights into parenting and relationship issues, its brazen humor, its writing style, its to die for hero, its cunning villain, and its intriguing supernatural overtones. Kristi Lyn Glass, editor Gothic Journal

When it comes to unique, eerie and engrossing tales of supernatural suspense, author Antoinette Stockenberg is in a league of her own. BEYOND MIDNIGHT is a gripping and chilling page-turner outlining two families' courageous battle against an insidious evil, with a charming face. Outstanding reading. Romantic Times

Antoinette Stockenberg creates another winner with this fast-paced and lively contemporary romance with a touch of the supernatural thrown in to make an interesting storyline even more exciting. Contemporary romance at its best. Five stars. Harriet Klausner

Affaire de Coeur. Ms. Stockenberg is a marvelous storyteller who writes with humor, wit, and real experiences that we can relate to. Totally absorbing. A superior tale with just the right combination of greed, hysteria, obsession, and romantic passion. Spectacular. A terrific story that had me anxiously turning the well-written pages. Literary Times

BEYOND MIDNIGHT is typical of Stockenberg's excellent paranormal romances with extremely strong characters and an intriguing and original plot. Melinda Hughes, Gothic Journal

Helen Evett, owner of a thriving pre-school in Salem, becomes the object of a modern witch hunt that endangers her family, her business, and her enchanting newfound love. This is the sort of paranormal romance that draws you in, a believable, emotionally involving ghost story with an appealing story of love. B Dalton's Heart to Heart

Meticulously researched and detailed, BEYOND MIDNIGHT brings Salem and its history to striking life. Antoinette Stockenberg, a premiere voice in paranormal, gives us yet another keeper. Linda Opdyke, New Reality Reviews
